Statement was considered unnecessary, as the Cost of the Establishment is wholly debitable to famine.

Resolution

The proposition Statements submitted by the Collector show under "Proposed Scale" only the addition proposed to the existing staff, instead of the existing establishments as well as the additional hands required. The statements will be revised in the Board's office and submitted to Government, through Accountant General, with reference to Government Order, No: 1421 dated 22nd March 1898.

2. The Collector is mistaken in supposing that the Cost of the proposed establishment is wholly debitable to Famine. The Case falls under the instruction conveyed

in the concluding sentence of Rule 12 quoted by the Collector.

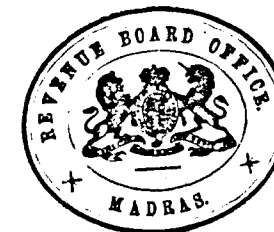

3. The establishments proposed shall be dispensed with as soon as it is possible to close relief in the parts affected.
