Collector of Anantapur.

To

The Revenue Commissioner
Madras.

Sir,

With reference to para 2 of your letter—
Reference on Enclosure No. 330 dated 19th September
1898, I have the honour to propose that about Rs 800
may be provided in the Budget for 1899-1900 on
account of the additional establishment required
for this District. There are about 6000 cases to be
dealt with in the remaining Taluks of this District.
From practical experience in Gooty and Tadpatri
Taluks, I have found that only about 300 cases
can be dealt with by one clerk in a month. I
propose, therefore, to appoint only 2 clerks on
Rs 20 each for the purpose for a year and they
will do the whole work taking up one Taluk
after another. A clerk on Rs 25 for one year

may

may also be appointed in the Huzur Office to scrutinize their work and submit the Registers to your office.

I have &c

Submitted for the sanction of Government

2. The temporary establishment sanctioned in Government Order No 4446/26-10-98 for a period of 3 months for the revision of quit rents on Village Service Inams in the Taluks of Gooty and Tadpatri, was as already explained in this office letter (R.C. No 222/98 dt 4-6-98), entertained and the work taken in hand only during the current year. The work not having been completed within the sanctioned period, Government sanctioned in its order No 2853/7-7-98 Miscellaneous, the retention of the establishment for a further period of 3 months in each of these Talukas. When the Budget estimates for 1899-1900 were taken up it was thought probable that the work of revising the Inam Registers of the other Talukas in the District would have to be done in the course of the next year in view of the early completion by the Settlement Department of the Inam Excess accounts. The Collector of Anantapur was requested to report what additional establishment would be required for the purpose. He now proposes an establishment consisting of 2 clerks on Rs 20 each for a year, who will be required to take up Taluk by Taluk in succession and a Huzur clerk on Rs 25 for the same period for checking the work of the special Taluk clerks. The additional cost entailed by these proposals is in round figures Rs 800.

	Rs
* 2 clerks on Rs 20 for 12 months	480
1 clerk on Rs 25 — do —	300
Total	780

3. As, according to the Collector's estimate, the 6000 cases that still remain to be disposed of in the other Talukas of the District will occupy the establishment only 10 months, it is recommended that sanction may be accorded for the entertainment of the establishment for that period.

4. Provision has however been made in anticipation of sanction, in the Budget estimate for 1899-1900 for Rs 1500 in order to meet the cost of the Temporary establishment required for Anantapur and Bellary Districts. Proposal for

for the establishment required for the Bellary district will be submitted on receipt of further report from the Collector.

5. The undersigned takes this opportunity to request that formal sanction may be accorded for including in the revised estimates for 1898-1899 the sum of Rs 200 provided for expenditure in Anantapur during last year and not incurred.

C No. 6966 of 98.

From The Inam Commissioner.

Dated 7th October 1898.

FOR ORDERS.

~~For carrying out the work in connection with~~ the entertainment of two clerks on Rs 20 per mensem for 3 months for the ~~Gooty & Adoni~~ Taluk offices and of another on the same pay for the Anzur office, ~~for four months~~, was sanctioned in G.O. 1944 of 12. 4. 98. Similar proposals from the Collector of Bellary were also approved in that order. In Anantapur, the work was taken in hand during the current year and the revision not having been completed within the sanctioned period, the retention of the clerks for a further period of three months in the Taluk offices was sanctioned in G.O. 2858 Mis of 7. 7. 98. In view of the early completion by the Settlement Department of the Inam accounts, the Inam Commissioner requested the Collector of Anantapur to report in

Para 2 of the current

connection with the budget estimates for 1899-1900 what additional establishment would be required for the purpose of revising the Inam Registers of the other talukks in the District. The Collector reports that there are about 6000 cases to be dealt with in the remaining talukks of the district and that it has been found by practical experience that only about 300 cases could be dealt with by one clerk in a month. He therefore proposes the entertainment, for a year, of an establishment consisting of 2 clerks on Rs 20 each to take up talukk by talukk in succession and of a Huzur clerk on Rs 25 for checking the work of the Special Talukk clerks. The ~~pro~~ additional cost which the proposals involve is Rs ~~780~~ 780 or Rs 800 in round figures The Inam Commissioner recommends that as according to the Collector's estimate 6000 cases still on hand will occupy the establishment only 10 months, sanction may be accorded for the entertainment of the establishment for that

period. In order to arrest the post of the Temporary establishment required for Anantapur and Bellary districts in connection with the revision of quit-rent, the Inam Commissioner has entered a provision of Rs 1500 in the budget estimates for 1899-1900. In G.O. no 792 Finance dy 14.9.98, it is laid down that in submitting budget estimates for 1899-1900, heads of departments should not include any proposals in regard to increases of expenditure which are not covered by corresponding increases of revenue. In the present case, the establishment is required for revising the quit-rent on village service inams with reference to the area and assessment according to the new settlement introduced in the district. It is therefore likely that some increase of revenue will result from the revision.

Submitted therefore that the establishment may be

sanctioned for the period recommended by the Inam Commissioner.

In this connection the Inam Commissioner requests that sanction may be accorded for including in the revised estimates for 1898-99 the sum of Rs 200 provided for expenditure in Anantapur during 1897-98 but not incurred during that year. As the total of the revised estimate for the current year (Rs. 5220) exceeds the budget estimate for the same year (Rs 5020) an additional allotment will be necessary. Applications for such allotments should come through the Accountant-General. Before orders are issued on this point, the Acct. Genl may be consulted unofficially in the Financial Department.

The revised estimate seems to have been framed without taking into account the savings resulting from the deputation of the Head Clerk, Central Office as acting Tahsildar, a deputation which it is understood is likely to last till February. It seems probable that expenditure will be well within budget grant.
