Proceedings of the Board of Revenue

(Land Revenue).

Forest No. 736 Misc., dated 3rd November '98.

Read Endorsement of J. W. Cherry Esq., Ag: Conservator of Forests, Southern Circle, No. 3448, dated 5th March '98, forwarding to the Board the following letter from R. B. Clegg Esq; Collector of Tinnevelly, B+C No. 167 of 97-98, dated 1st March '98.

I have the honour to forward herewith a draft notification under Sec: 16 of the Madras Forest Act V of 1882 for the extension of Kadayanallur Reserved Forest III C2 Block A and to request that 30th May 1898 may be fixed as the date when this area shall become a reserved forest.

As no alteration in the area took place at the time of settlement no revised area statement is submitted. The Forest Settlement Officer's letter No. 19 dated 16th January 1898 with its 3 enclosures are herewith sent.

Conservator of Forests, Southern Circle, No. 3584, dated 4th March '98, forwarding to the Board the following letter from A. B. Clegg Esq., Collector of Tinnevelly, Ref. on B & C no. 167 of 97-98, dd 9th March '98.

I have the honour to submit herewith a draft notification under section 16 of the Madras Forest Act V of 1882 for the extension to Hadayanallur Reserved Forest Fo. III. C2 block B, and to state that 1st July 1898 may be fixed as the date when this area shall become a Reserved forest.

As no alteration in the area took place at the time of settlement no revised area statement is submitted. The Forest Settlement officer's letter No. 121 dd 15th February '98 with its 3 enclosures are herewith submitted.

The following References thereon No. 219 dd 20-5-98.

The Collector is requested to report what action was taken by him with reference to para 2 of Board's Proceedings, No. 325, dd 22-7-96 and whether there is sufficient land outside the proposed blocks to meet the requirements of the villagers concerned in the matter of extension of cultivation and free grazing.

(T)

forwarding to the Board the following letter from A. W. B. Higgens Esq., Collector of Tinnevelly, Ref. on B & C cir no. 167 of 97-98, dd 14th October 198.

I have the honour to reply to Board's References on Forest Registers Nos. 543 & 634 of 98 dd 20-5-98 enquiring what action was taken by the Collector with reference to para 2 of B.P. 325 dated 22-7-96 and whether there is sufficient land outside the proposed Hadayanallur blocks for cultivation and free grazing.

2. A statement is enclosed showing the extent of poramboke and waste available in Hadayanallur village and 2 adjoining villages for the exercise of the people's privileges and the details of the poramboke. The result is that though the proposed extensions of the Reserved Forest are small, they will take a considerable slice out of the unreserved land available for the extension of cultivation and for the use of the villagers which is already not over large in area. It seems to me therefore that it is desirable to abandon the proposed extensions, and to attain the object aimed at, viz, the straightening of an extremely crooked boundary, by adopting a "Conservancy boundary" inside the present Reserved Forest.

3. I regret that the matter was not sufficiently considered

coincided while the settlement was in progress.

4. The enclosures of the Board's reference are returned.

Resolution,

While scrutinizing the settlement records relating to the Kadayanallur extension blocks, the Board has reason to doubt whether sufficient provision had been made for extensions of cultivation & the exercise of village privileges. The Collector was accordingly requested to report on the point. In the letter last read above, he reports that the extent now available is just sufficient to meet the wants of the villagers and that it is undesirable to curtail this provision by reserving the areas in question. In the circumstances stated, the Board agrees with the Collector in considering that the proposed extensions should be abandoned and accordingly submits a draft notification cancelling the initial notification issued in respect of them for approval and publication in the Fort St. George Gazette.

Proceedings No. 736 Dated 3 — 11 — 1898.

FOR ORDERS.

(minuta Mis ante in a letter ent. 9 Sept 98 in the file of 16th)

Note

In submitting for the approval of the Government the draft notifications under section 4 (of the Forest Act) in respect of the Kadayanallur extensions A and B, Timinelly Dt, the Board of Revenue in para 2 of its Resolution No 3258 of 22nd July 1896 directed that the question whether sufficient lands were available outside the blocks for the extension of Cultivation and free-grazing should receive attention during the settlement. From para 2 of the Collector's letter dated 14th October 1898 (read in the Current) it now appears that the proposed reservation if carried out will considerably limit the area of the unreserved land available for the villagers.

The Board therefore proposes to Cancel the initial notification
