Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture),
Dated 25th October 1898.
No. 6264 his.

READ following letter from E. A. Elwin
Esquire, Acting Collector of Bellary,
D No 991 dated 28th September 1898:-

The Board is aware
that loans on a large scale were
granted in the Bellary taluks
of this district during the last famine
under the Land Improvement
and Agricultural loans Acts
by the special Tahsildars appointed
for the purpose. The number of cases
under

under both the Acts and the amounts advanced are noted below:-

Land Improvement Loans Act	1 ordinary rules	Belhary Taluk	Shor Taluk
	2 special rules	Rs of cash amount	Rs of cash amount
		951-93198	11493-1432
		53-8625	36-7180
Agricultural Loans Act	1. Relief of Distress	1044-18474	2629-37823
	2. For purposes other than relief of distress.	2029-78243	2846-10304
		4077-198540	7004-31126

In addition to the above, there are 123 cases of loans involving Rs 17488 in the Shor Taluk and 68 cases involving Rs 2544 in the Belhary Taluk relating to the famine of 1892, in which recoveries are still to be effected.

12 The preparation of demand notices as the instalments of the above loans fall due, watching the recoveries, checking

the remittances from Villages, apportioning the collections between principal and interest, posting the various ledgers and preparing the necessary accounts and returns will occupy the full time of one of the Taluk clerks and the Divisional officers state that it is not possible to spare the services of a member of the present establishments for the purpose without serious detriment to the other work in the Taluks.

3 Taking into consideration the very large amount for which loans have been granted in these two Taluks and the importance of maintaining the registers and accounts with care and accuracy

I consider that the establishment of an extra clerk on Rs 20 per month at each of the two taluk offices to attend to this special business is absolutely necessary for one year, by the end of which period the Advances under the Agricultural Loans Act will probably have been recovered and the work in connection with the loans under Land Improvement Act may not be so large as to require the services of a full time clerk. I have therefore the honor to request that the Board will be good enough to advise Government to sanction the temporary establishment proposed at an early date.

4. A proposition statement in duplicate is submitted herewith.

Resolution.

Submitted for the orders of

of Government.

2) In his letter read above, the Collector of Bellary reports that loans amounting to Rs 19,8540 in 4077 cases and Rs 311,266 in 7044 cases were granted in the Bellary and Alur taluks respectively during the late famine and that in addition to these, there are 68 cases of loans involving Rs 2,544 in the former taluk and 123 cases involving Rs 17,488 in the latter taluk, relating to the famine of 1892, in which recoveries are still to be effected. He states that the preparation of demand notices as the statements of loans fall due, watching the recoveries, checking

cing the remittances from
Villages, apporportioning the collec-
tion's between principal and
aided, posting the various led-
gers and preparing the necessa-
ry accounts and returns,
will occupy the full time of one
of the taluk clerks; and as the
Deputy collector considers that
one clerk of the permanent estab-
lishment cannot be exclusively
devoted to this work, without the
serious detriment to other work
at the taluk, the collector is of
opinion that the establishment
of an additional clerk on Rs 20
per mensem for each of the two
talukas is absolutely necessary
for one year, by the end of which
period he thinks that the advances
under the Agriculturists' Loans
Act

Act will have been recovered.
The Board agrees with the collector
that the assistance asked for by
him is necessary, but would
recommend that sanction may
for the present, be accorded for
the establishment of the estab-
lishment for a period of six
months. If, towards the expiry
of this period, the collector finds
it necessary to retain the establish-
ment, he can apply again for the
necessary sanction.

3 The cost can be met
from the lump sum of Rs 5,000
provided in the Budget estimates
of charges for 1898-99 under 3 A
Temporary

Temporary Establishment for loans,
 sanctioned in G.O. No 1029 ^{Revenue}
 dated 11th December 1897 and from
 the sum of Rs 3,000 provided under
 the same head in the Budget
 estimate of charges submitted to
 Government in B.P. No 262, ^{Contd 6777/98}
 30th September 1898, Land Revenue

4 As the proposition
 statement submitted by the collector
 is found to be defective in cer-
 tain particulars, a fresh one
 prepared in this office will be
 submitted to Government through
 the Accountant General.
