Tanjore Collector's Office
Vallam,16th October 1898.

From

J.Twigg Esquire
Ag.Collector of Tanjore

To

The Secretary to the Commissioners
of Land Revenue,Madras.

Sir,

With In continuation of my letter R.C.No.290-G&B of 1897 dated 4th March 1898 and with reference to Board's Pro--- ceedings No.488 dated ~~16th October~~ 8th February 1897,I have the - honour to report the results of the enquiries made regarding the encroachment on Post office grounds in Kumbakonam Town.

Au.Go.530 27.1.97

2. According to the plan received with Board's Pro-- ceedings No.488 dated 8th February 1897,the portion encroached -- upon is a long narrow lane marked A H K L along the southern com- pound wall of the Post office measuring 107 ft.by 6 ft.From the - report submitted by the Tahsildar of Kumbakonam,it appears that - Samoo Padayachi encroached on only a portion thereof to the ex--- tent of 56½ ft.by 6 ft.marked C.G.M.D. in the plan,which he has - now vacated,that of the remaining extent the portion marked ----- K.K.L.D.measuring 64½ ft.by 6 ft.has not been encroached upon,--- while the portion marked A.C.G.H measuring 6 ft.by 6 ft.is claim- ed by Samoo Padayachi as being a portion of his backyard and long in his enjoyment.

3. From the measurement account given by the Karnam at the time of the purchase of the land for the Post office at -- Kumbakonam,it appears that the land acquired consisted of two --- plots the eastern portion measuring 64 x 96 ft.making 42 $\frac{40}{64}$ Culis and the western portion measuring 162 by 45 ft.making 47 $\frac{60}{64}$ Culis the extent of the whole land being 90 $\frac{56}{64}$ Culis or nearly 50 cents. According to the measurement now taken by the Revenue Inspector - of the Kumbakonam Kasba Range,it appears that the extent occupied by the Post office building measures 66½ by 100½ ft.making 46 $\frac{26}{64}$ --- Culis and the portions occupied by the backyard measures 49½ by - 188 ft.making 84 $\frac{20}{64}$ Culis or 33 cents in all.The extent of the

land now in the possession of the Post office is in excess of the extent originally purchased by 5 cents.

There is no proper record of the measurements of the land acquired for the Post office, and I cannot reconcile the difference found between the karnam's measurements at the time of acquisition, and the measurement now taken. But we have now in our acknowledged possession rather more than the extent said to have been originally acquired, and we cannot prove that the plot A.H.C.C. belongs to Government, the plan indeed being rather in favour of the opposite conclusion. I therefore consider that we may rest content with the vacating of the encroachment C.G.O.D. The land in possession of the Post office, should now be permanently demarcated.

4. The enclosures received with the Board's Proceedings under reply are herewith returned.

I have &c.

REVENUE DEPARTMENT.

C No. 7508/98

From the Board of Revenue Land Rs

No. 3069 Dated 1. 11. 189 8.

FOR ORDERS.

It having been brought to notice that the ground attached to the Post Office at Kumbakonam had been encroached upon by one Lauta Padayachi, the P.W.D. in its Endt No 395-C 22.1.97 transferred the papers to the Rs. Dept in view to the Collector being instructed to institute the necessary proceedings. This was communicated to the Board of Rs. for the issue of the necessary instructions and a further communication on the subject was also similarly communicated.

2. It appears from the Collector's letter No. 4657/Dis of 16.10.98 now submitted by the Board of Revenue that the extent encroached upon has been measured 107 ft

extent; Samoo Padayachi has vacated an extent of ~~6ft by~~ 36½ ft by 6 ft; 6½ ft by 6 ft has been found on enquiry not to be an encroachment; and the balance ~~6ft by 6ft~~ 6 ft by 6 ft is claimed by Samoo Padayachi as being a portion of his backyard and long in his enjoyment. A comparison of the measurements of the extent now occupied by the Post-Office, and ~~such~~ that given by the Karnam at the time of the purchase of the land for the Post-Office having, however, shown that the present extent is greater in excess by 3 cents, the Collector of Tanjore considers that the Govt may rest content with the extent already vacated by Samoo Padayachi. He adds that the land in possession of the Post-office should now be permanently demarcated. The Board of Rev. concurs with the Collector in considering that no further action need be taken in the matter.
