C No. 7539 of 1898

From the Board of Rev (Land Revenue)

No. 1233 Dated 2-11-1898.

FOR ORDERS.

Reference is solicited to the note under Co. 3454 ²⁴⁻⁸⁻⁹⁸ from which it will be seen that the Collector of Anantapur proposed the construction of a Verandah to the Stationary Sub-Magistrate's office at Anantapur and the excavation of a new well in the Compound for the use of the sub-jail prisoners. On receipt of the above proposal the Govt asked the Board of Rev to consider in consultation with the Collector whether a ~~might not~~ ^{might not} be substituted for the Verandah. The current read above is the Board's reply for the above ~~affair~~.

2. The Collector states that a pandal with bamboo mats and hill grass will serve the purpose and he estimates the cost thereof at Rs 100. The Board concurs in the Collector's opinion and presumes that the Collector will get the work executed departmentally. The erection of a pandal would fall under "Petty Construction and Repair" and the cost thereof may be debited to the Civil Budget. The P.W. order no. 3157W dated 11-11-97 leaves to the discretion of the department concerned the question as to which department should erect the pandal and pay for its construction. The work in the present case may be executed departmentally, and the Board is competent to sanction the estimate (up to Rs 1000).

FOR ORDERS.

under No 6194 Rev

Para 5 of S.O. No 189.

As regards the ^{excava-} ~~excavation~~ tion of the well, the estimated cost of this work is not known. If it be less than Rs 1000

it is

and if the work is not to be treated as an addition to the existing building, the Board is competent to sanction the estimate as a petty construction. It is doubtful whether the well is to be treated as an addition to the existing building or as an independent work. The question may, it is submitted, be ^{left} ~~referred~~ for the decision of the P.W.D.

In the meantime, it is submitted that erection of a pandal and the excavation of a well may be approved and the Board requested to issue instructions to local authorities to prepare the necessary estimates.

Let the Bd & collector may be left to see after the pandal. The P.W.D may be asked to see about the well. Please see draft in docket which P.W.D may be asked to accept. 13-11-98
