(herewith returned) forwarding for report
a letter from the Government of Bombay
regarding the exchange of lawnmowers
supplied to it and to the Curator

desirable to effect the exchange, consi-
-dering the expenses and risk of
damage to the machines. I agree
with him.

Sir,

Your most obedient Servant,

Sir,

With reference to your letter No. 3, dated 22nd January 1898, forwarding an Indent for a lawn mower for use in the compound of the Secretariat Buildings at Bombay, I have the honour to state that by an error in packing, which is much regretted, the machine procured in satisfaction of this demand has been despatched to the Curator of the Government Botanic Gardens Ootacamund, while a machine of the same size, but somewhat different make, ordered for those gardens has been shipped to Bombay by the S.S. "Don of Airlie" in June 1898.

As

As this latter machine is of a pattern specially demanded by the Curator I venture to suggest that an exchange of machines be effected.

The cost of the two mowers was identical.

GOVERNMENT OF MADRAS

Sir,

I have the honour to forward copy of a letter No. S. 9648 dated 16th September 1898 from the Director General of Stores, from which it will be seen that a lawn-mower which had been procured, in compliance with an indent from this Government, for use in the compound of the Bombay Secretariat was despatched by mistake to the Curator of the Government Botanic Gardens, Ootacamund, while a machine of the same

ame size but of a somewhat different make ordered for those gardens was shipped to Bombay.

2. With reference to para 2 of the letter referred to I am to state that if the Curator desires that the machine received here should be sent to him, arriangements will be made to forward it to him on his returning to this Government the machine which was intended for the Bombay Secretariat.

I have the honour to be,
