No. 513 Miscellaneous.

READ again the following Board's Proceedings No. 6023 Mis., dated 10th October 1898:—

Read the following letter from J. A. Atkinson, Esq., Collector of Madras, Ref No. 587, dated 29th September 1898:—

Adverting to the Correspondence connected with Board's Proceedings No. 5036 Mis., dated 19th August 1898, I have the honor to state that after the Committee appointed to draft rules under the Importation of animals Act had prepared a draft of proposed rules, it was considered advisable to consult the various importers of horses and the Madras Municipal Commission and Harbour Trust Board on the rules. To save time, these were

were printed, the work being done at the Scottish Press, as it was certain that considerable delay would occur at the Government Press and a charge of Rs 13-11-4 has in consequence been incurred. I request that the necessary sanction may be obtained for the same and the Accountant-General directed to pass it. The Charge is debitable to "Stationery and Printing, Land Revenue, Printing at Private Presses" and as I have no Budget provision under the head nor can expect savings under any other head for the necessary transfer of allotment, I beg that the extra grant may be sanctioned, from savings, if any, for the whole Presidency. The necessary tabular statement accompanies.

Resolution:- No 6023 M, Dated 10-10-98

Forwarded to the Superintendent, Government Press, with the request that he will furnish the Board with the prescribed Certificate that the work could not have been undertaken at the Government Press, without inconvenience to the interest of the Public service. (True Copy & Enpack)

M, dated 31st October 1898:-

Read the following letter from R. Hill, Esq.,
Superintendent, Government Press, No. 4577, dated 19th October 1898:-

In reply to Board's (Revenue Settlement) Proceedings No. 6023 M, dated 10th October 1898, I have the honor to state that, under the orders of Government in G.O. No. 1000, Financial, dated 17th November 1894, a specimen of the work printed and the bill should be forwarded to me for scrutiny and counter-signature before a Certificate can be granted. It is also directed by Government in paragraph 2 of G.O. No. 160 Financial, dated 15th February 1895, that no printing should be given to a private firm without first ascertaining whether the work can, or cannot be undertaken under the Government Press, and if the work cannot be done at the Government Press, a Certificate is granted on presentation of the Bill for Scrutiny. In this instance, the Collector of Madras did not make the above enquiry and in consequence I do not understand how he can assert that if the work had been

giving

given to the Government Press, "it was certain that
considerable delay would occur at the
Government Press". Work which costs Rs 13-11-0
done only at a private firm is not likely to cause
as a serious strain upon the resources of the
establishment of the Government Press, no
matter how great its urgency; and work is
thence delayed when it is apparent that the
urgency is a real one, or a communication
is received from the head of a department.

2. Under the above circumstances, I
do not see how I can grant the prescribed
certificate in this case.

Resolution: No 6339 dated 31-10-98

Madras, for remarks, with reference to his letter

Read also the following letter from J. N. Atkinson,
Esq., Collector of Madras, Ref No. 236 of 98,
dated 21st November 1898:—

In reply to Board's Proce-
dings No. 6339, dated 31st October, I have
To The

the honor to forward a specimen draft noti-
fication printed at the Scottish Press and al-
so a copy of the Bill received by me in that be-
half. As the Board and Government directed the
submission of the draft rules urgently, I was
anxious that no delay should take place in the
matter. The draft was ready on the mor-
ning of Sunday, the 3rd September 1898, and
as the Government Press would not work
on a Sunday, I had recourse to the Scottish
Press to ensure special expedition in the in-
terest of the service. I therefore request that
the small charge which has been already
paid from the Permanent Advance-
Fund in anticipation of sanction may
be passed as a special case.

Read also the following reference thereon to the
Superintendent, Government Press, dated
29th November 1898:—

The bill will be submitted to
Government for sanction as a special case,
but before doing so, the Superintendent, Govern-
ment Press, will be requested to scrutinise
the bill and certify whether the charges are
reasonable or not. A specimen of the work
done will also be forwarded to him.

Read also letter from the Superintendent,
Government Press, Madras, No. 5362, dated
9th December 1898, returning, duly countersigned,
the bill for Rs 13-11-0.

Resolution: _____ No. 513 Dns dated 24-1-99.
Submitted to Government.

2. The Collector of Madras requests sanction
for a charge of Rs 13-11-0 incurred in print-
ing at a private press, the draft rules
under the Live Stock Importation Act
framed by the Committee appointed
under G.O. 3389 Dns dated 17-8-98. He
states that the draft was ready for
printing on the morning of Sunday, the
3rd September last, and that as the Govern-
ment Press would not work on a Sun-
day and the draft had to be sub-
mitted to the Board urgently, he was
obliged to get it printed in a pri-
vate press. The bill has ^{been} ~~to be~~ countersigned
by the Superintendent, Govern-
ment Press, but the declaration re-
quired by G.O. 160 Financial, dated
15-2-95, to the effect that the work
could not have been undertaken by the
Government Press

Government Press without incoincidence to
the interests of the public service, could
not, under the special circumstances
of the case, be furnished. The Board
requests that the payment of the bill for
Rs 13-11-0, may be sanctioned. The charge
can be met from the reserve of Rs 255 in
column 164 of the statement appended
to Board's Proceedings, No. 180 dated 15-7-98.
