Read endorsement of Government, Revenue Department, No. 4306,

dated 3rd November 1898.

RESOLUTION:---

With reference to the endorsement of Government read above the Board begs to report that the tools referred to in Board's Proceedings, Mis No. 4012, dated 8th October 1898, are very urgently required, and that the delay which must ensue by procuring them from Europe will cause serious inconvenience to the public service. Iron cash-chests of the same pattern as that which was broken into at Negapatam last year require to be altered and this work cannot be postponed any longer. In these circumstances the local purchase of the tools in question is necessary, and it is requested that early sanction may be accorded.
