-------:0:-------

Reference No. 1295 dated 16th November 1898.

In the letter read above,the Collector of Salem requests sanction for the appointment of a special Sub-Magistrate at Hosur to relieve the Tahsildar of his Magisterial work during his employment on plague duty.In the Hosur taluk there is no Stationary Sub-Magistrate and the Tahsildar is now constantly on the move in connection with plague work which has made his work particularly heavy.Large numbers of people with passports come into the taluk from Mysore and numerous prosecutions occur under the plague rules.The Collector states that indigenous plague has made its appearance in the Anikal,the adjoining taluk in Mysore territory and that there have recently been 7 cases and 4 deaths in a place not far from the British frontier.His opinion is that the appointment of a special Sub-Magistrate is absolutely necessary.

2. The Plague Commissioner strongly supports the Collector's application and the Board concurs with him.

3. It is requested that the orders of Government on these Proceedings may be communicated to the Collector direct by wire.
