B.P. 4824 / 9-8-98 (Con. 5672)

To the Under Secretary

With its Proc read above, the Board of Revenue submits a statement showing the progress made in the registration of jenmam titles in Malabar during the months of June 1898. From the Comparative Statement annexed to the B.P. it will be seen that the number of disputed cases registered by the Dy Collectors in Palghat and Wallavanad in the months was nearly as much as that disposed of in the previous months, while there was a large falling off in the number of undisputed cases disposed in Palghat. The number of cases disposed on the officers' own motion showed an increase in both the taluks.

2. In para 8 of B.P.

B.P. 3636 of 17-6-98 (Cuo 4396) the Board, in view to securing a clearer understanding of the progress made in the registration work requested the Collector to attach to each Progress report Skeleton maps of the talukas showing by certain symbols the extent of work completed in each Desam. The Collector accordingly submitted maps for the two talukas along with the present report, and the Board has forwarded them to Govt. The map of only one of the talukas (Walluvanad) has however been received in the Govt Office. It will be seen from this map that out of 317 Desams in the Taluk only 71 have been completed. ~~The Board remarks that~~ and in 12 of these subdivisions of fields remain to be carried out.
