MEMORANDUM

Please see para 3 of Endorsement No.5217 dated 9th October 1897 from the Commissary General, Madras Command, to your address regarding the issue of rum to native Troops.

2. Issues of rum when made under existing regulations to either British or Native troops are paid for at rates which cover excise duty and the amounts so realized on account of that duty are credited to Government as ordered. If they are not eventually credited to "Excise" it would seem to be a matter for Government to arrange in its Accounts Department.

3. The contention that, in the case of canteens referred to in Adjutant General (Madras) Circular No.N.A./942 of 26th May 1893, the provisions of paras 811 and 813 A.R.I. Volume V, would appear to have been overlooked, does not, it is considered, seem to be sound in that the Canteens for Native Soldiers which may have come into existence under the Circular quoted above are not supplied with their ordinary requirements of liquor by the Commissariat Department at all, but make their own arrangements for such supplies.

4. The Circular referred to contemplated the possibility of such Canteens having to take out licenses and if it is held to be necessary that they should do so, the extra cost involved will have to be met by the native soldier purchasing the liquor so provided.
