NOVEMBER.

Communicating to the Collector of Trichinopoly and the Conservator of Forests, Central Circle, Government Order directing the publication in the *Fort St. George Gazette* of the draft notification under section 16 of the Madras Forest Act for the constitution of the Pillankolam block, in the Perambalur taluk, Trichinopoly district, as a reserved forest; and submitting to Government for approval and publication in the *Fort St. George Gazette* an erratum in respect of the south boundary description of the Pillankolam block.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

Read—the following Government Order, Nos. 594, 594A, Revenue, dated 12th October 1898:—

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 385, dated 9th September 1898:—

Read—the following letter from J. H. ROBERTSON, Esq., Acting Collector of Trichinopoly, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Central Circle), dated 29th July 1898, Ref. on Cur. No. 5-F.—Gl. R. II:—

I have the honour to submit in original letter, Ref. on No. 694, dated 17th June 1898, from the Forest Settlement-officer, Trichinopoly, &c., districts, reporting on the final settlement of the Pillankolam block No. 229, Perambalur taluk, and to request that Government may be addressed to issue a notification under section 16 of the Forest Act, of which a draft is enclosed and to fix the 1st October 1898 as the date when this area shall become reserved forest.

2. A sketch of the block and a copy of the B Register of claims received from the Forest Settlement-officer are enclosed herein together with a statement of area and condition.

ENCLOSURE No. 1.

From F. GOMPERTZ, Esq., Forest Settlement-officer, Trichinopoly, &c., districts, to the Collector of Trichinopoly, dated Camp, Tháthanúr, 17th June 1898, Ref. on No. 694.

I have the honour to report the conclusion of the settlement of the Pillankolam forest block, Perambalur taluk, after complying with the provisions of section 16 of the Madras Forest Act V of 1882.

2. The block comprises portions of Pillankolam and Kaikalattur villages. The notification under section 4 of the Madras Forest Act appeared in the *Fort St. George Gazette*, dated 10th November 1896, and the proclamation under section 6 was issued on 14th idem, fixing 20th April 1897 as the latest date for preference of claims. The block was settled by me after the notification transferring it to my name appeared in the *Fort St. George Gazette* of May 1897. The exclusions made with the consent of the District Forest-officer are indicated in the sketch by green lines. The last claim was disposed of on 31st March 1898 and the appeal time expired on 15th May 1898 without any appeal being preferred.

3. Twenty-five claims were preferred. They were for patta and waste lands and lands held on sivayijama, for rights of way, water sources, and right of Revenue department to repair an irrigation channel and a calingula. One patta land, and two rights of way were excluded from the block by revision of its boundary, and the other patta lands and a water source were found to lie outside the block. One right of way was considered unnecessary and right to two water sources and remaining rights of way were admitted. About 200 acres of waste land have been being not based on right. The District Forest-officer has no objection to repairs to the irrigation channel and calingula being made by the Revenue department whenever necessary, notice being given to the forest authorities beforehand.

4. I request that three months' time may be allowed for promulgation of the final notification under section 16 from the probable date of its appearance in the *Fort St. George Gazette*.

Resolution—Forest No. 385, dated 9th September 1898.

The draft final notification received with the letter read above will be submitted to Government for approval and publication in the *Fort St. George Gazette*, with the recommendation that the 1st December 1898 may be fixed as the date from which reservation shall take effect.

2. The portion of the foot-path from Nuthappur to Pillankolam which runs close to the boundary should be diverted along it when cleared.

3. The attention of the Collector will be drawn to the concluding sentence of paragraph 3 of the Forest Settlement-officer's report regarding the repairs to the irrigation channel and the calingula referred to in claims XX and XXI.

4. The Aiyarpalayam village referred to in claims II, III and IV, &c., not being included in the list of villages mentioned in the draft notification as contributing to the reserve, it is presumed that it forms a hamlet of Pillankolam village.

5. Owing to the provision made at settlement for the villagers of Pillankolam for extension of cultivation, the area of the block which was originally 1,578 acres has been reduced to 1,267 acres.
