My dear Sir,

In Notification No. 469 published on page 989 of Part I of the Fort Saint George Gazette dated 18th October 1898, Scot, Assistant Conservator of Forests, Cuddalore, was appointed to act as District Forest Officer, Nellore, during the absence of Foulkes on Privilege leave. Foulkes re-
turned from leave on the expiry of the Christmas holidays and has relieved Scot; but the Collector proposes to retain the latter in Nellore temporarily to work up Mica. From investigations recently made by Mr. Holland, Deputy Superintendent, Geological Survey of India, the Forest Member considers it highly probable that Scot's retention in the district will lead to an increase in the revenue from Mica, and there is no question that the industry

industry requires further supervision than
it at present receives. The Conservator (Cherry)
who was consulted as to whether Cuddapoh
would suffer by Scot's withdrawal from
it states that the district can wait
until Arbuthnot or some one else is
available.

I am accordingly to submit
the enclosed draft minute of posting
for His Excellency's approval.

Yours sincerely
Lionel Smithson
