Proceedings of the Board of Revenue

(Separate Revenue),

Dated 10th December 1898

Mis. No. 4909

-----:0:-----

Read letter from V.A. Brodie Esquire, I.C.S., Collector of Godavari, C.No. 683/C.D of 97, dated 14th July 1898.

Read also letter from the same Officer, Ref on C.No. 683/C.D of 98, dated 23rd November 1898.

Resolution.

The Collector, Godavari, represents that the cash chest at present in the Custom-house is too small for its purpose, and requests that sanction may be obtained for the purchase of a larger one.

2. The Collector of Tanjore has requested the supply of a safe of the marginally noted dimensions to the recently opened Length 2 feet 0 inches. Peralam Railway Sayer station.
Breadth 1 foot 6 inches.
Height 1 foot 3 inches.

3. The Board, therefore, requests the sanction of Government to the purchase, for Rs. 276, of a locally-made iron chest of the size proposed by the Collector, Godavari, for supply to the Cocanada Sea Customs treasury. This will enable the Board to order the transfer of the chest now in use there to the Peralam Sayer station where it is absolutely wanted.

4. The cost of the new chest can be met by transfer of funds from the provision of Rs. 2465 under Land Customs Petty Construction and Repairs for the South Arcot District.
