Madras Port Department

Reviewing the Administration Report of the — for the year 1897-98.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

Read—the following paper:—

From Commander W. AVES, R.I.M., Acting Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 6th October 1898, No. 1888/344 G.

I have the honour to forward herewith the Administration Report of the Madras Port Department for the official year 1897-98, together with the reports of the Agent for Government Consignments and the Deputy Conservator of the Port of Madras for the same period. The Deputy Conservator's report, though reviewed in G.O., No. 694, Marine, dated 16th August 1898, is reproduced here in accordance with G.O., No. 250, Marine, of 5th July 1890 (which has not been cancelled) and will be discontinued in future if so directed.

Enclosure.

REPORT ON THE ADMINISTRATION OF THE MADRAS PORT DEPARTMENT FOR THE OFFICIAL YEAR 1897-98.

Official Staff.—Commander H. A. Street, R.I.M., was in charge of the department during the year. Temporary changes in the gazetted staff of the department are noticed in Appendix H.

2. *Act X of* 1889.—The provisions of this Act were extended to the port of Alagayankolam, in Madura district, the limits of the port fixed, the Port officer of Pamban appointed Conservator of the new port and the village munsif of Alagayankolam appointed Assistant Conservator. Port rules applicable to the port and a schedule of port dues were brought into force.

Under section 6, a special rule was issued for observance at the port of Tuticorin under which every boat returning from shipping in that port is required to touch at the Government jetty for examination by the Customs Department, and every passenger landing or embarking is required to do so at the said jetty.

Under section 34, the rates of port dues payable by vessels calling at ports on the East Coast of the Presidency (Madras excepted) were raised to the maximum rates provided for in the schedule to the Act, viz., foreign vessels 3 annas, coasting steamers 3 annas, and coasting ships 1½ annas per ton.

Under section 37 (1), revised rules for the maintenance of the Port Fund accounts of the Presidency were issued by which the District Port Fund account system previously in force was abolished, and the accounts are now kept under three distinct heads, namely, Eastern group, Western group, and Madras port, separate accounts being kept of Pilotage Funds as hitherto.

Act VII of 1880.—Such of the rules under this Act as were previously in force in regard to the ports to which the said rules were applicable, appointment of detaining officers, scientific referees, inspectors of lights, &c., were consolidated and republished during the year.

Act VII of 1880.—Under section 39, sub-section 2 of this Act, as amended by Act XVII of 1891, a fee of Rs. 5 was fixed for the issue of a duplicate copy of a ship's load line certificate, in addition to the fees otherwise fixed under the same Act.

Act XVII of 1891.—Amended rules were prescribed with respect to certificates of approval of load line and their duration, and an additional form of certificate (L.L. 2-B) introduced for unclassed steamships.

Act XIV of 1895.—Calicut and Beypore were declared ports of embarkation of pilgrims; the Port officer, Calicut, was appointed to carry out the provisions of the Act, and the Presidency Port Officer appointed intermediate authority under the Act.

Madras Act VII of 1871.—In supersession of previous notifications, the provisions of this Act and of Madras Act V of 1863 were extended to the pier at Calicut, a revised scale of tolls was brought into force, and byelaws issued for the management and regulation of the pier.

Acts X of 1841 *and XI of* 1850.—One hundred and one native craft were registered and 147 changes of masters endorsed. The total amount of fees realized was Rs. 1,108-6-0. For details, see Appendices F and G.

Act I of 1859.—Particulars relating to seamen shipped and discharged are given in Appendix K.

3. *Passenger Traffic.*—By vessels that came under the Native Passenger Ships Act, 21,479 native passengers left the coast on "long" voyages and 190,132 on "short" voyages. In general 215,827 passengers arrived and 312,690 left. The bulk of the passenger traffic was carried on at Tuticorin by the steamers daily plying between that port and Colombo. Details are given in Appendix I.

4. *Wrecks and Casualties*—See Appendix A. There were 16 shipping casualties in the year against 17 in the previous year. The barque *Amanath Rahiman*, of 306 tons, was completely lost with three members of her crew, in collision with the S.S. *Nawab*, the rest of the crew being picked up by the steamer. An enquiry was held at Calcutta. The disaster was attributed to defective arrangement of the side lights of the barque. The barque *Mohidin Bux*, of 377 tons, was also completely lost with all hands on board numbering 26 men.

5. *Boat supply*—See appendix L. The supply was equal to the demand.

6. *Weather.*—In September a storm passed near Baruva where a deal of damage was done to casuarina plantations, and some cargo boats were wrecked. In November stormy weather was experienced at Cuddalore for a few days, but not of such severity as to interrupt shipping and landing operations. At Cochin in September stormy weather was experienced and boats were unable to put off to shipping for a day. In November a severe storm developed near the Andamans, which eventually passed over the Circars. In December stormy weather prevailed in the bay for a few days.

7. *Dredging operations.*—See Appendices J, J (i), and J (ii).

At Cocanada there are two Priestman dredgers employed in dredging the vicinity of the river mouth and channels. One of these worked 202 days in the year and removed 67,235 tons of silt. The total expenditure on account of the usual repairs, establishment charges, coal, fuel, stores and contingencies being Rs. 7,952, the average working expense was As. 1-11 per ton. The other dredger worked 188 days; removed 56,029 tons; total expenditure Rs. 6,667; average working expense As. 1-11 per ton.

The dredger at Cuddalore worked 90 days; removed 6,046 tons of silt; total expenditure Rs. 1,730; average working expense As. 4-7 per ton. This comparatively heavy cost is due to establishment charges on account of the permanent driver of the vessel during the long period she remained unemployed for want of repairs, &c. His services have, however, been dispensed with since. Arrangements were made to supply this dredger with a new boiler and to effect necessary repairs to her hull and machinery, and afterwards to hand the vessel over to Messrs. Parry & Co. of Cuddalore with a grant from Port funds to be utilized in dredging under their own arrangements as an experimental measure.

The dredger *Havelock* at Negapatam worked 229 days in the year; removed 22,257 tons of silt; total expenditure Rs. 8,128; average working cost As. 5–10 per ton, which includes cost of dredging by hand labour also.

The difference in rates at the several ports is due to price of labour, hire of boats, distance of place of discharge of silt, &c., which vary at each port according to local conditions.

8. *Dredger Wenlock*—Is still in Calcutta dockyard undergoing repairs and alterations preparatory to being made over to the Madras Harbour Trust Board.

9. *Storm signalling system.*—The system of storm signalling at ports in the Madras Presidency was revised under arrangements made by the Meteorological Reporter to the Government of India, and the revised system was brought into force with effect from 1st April 1898.

10. *Service Registers.*—Verified and maintained in accordance with standing orders of Government.

11. *Stores.*—Inventory of valuable stock taken during the year.

12. *Marine works.*—Appendix M furnishes particulars of works carried out at the different ports by the agency of the Port Department during the year.

13. *Navigation, Tonnage and Dues.*—See Appendix B. The following is a statement of the number of vessels, their tonnage and the dues collected therefrom in the whole Presidency during the year:—

Ports.	Vessels.	Number.	Tonnage.	Dues.	Remarks.
				Rs.	
Madras ..	British—				Men-of-war, Government ships, and vessels that called for orders only are not included; hence the variation between the figures here and those in the Deputy Port Conservator's report.
	Coasting	312	544,498	32,279	
	Other than coasting	210	469,782	62,462	
	Foreign	91*	132,869	14,036	
	Native	98	11,748	718	
	Total ..	711	1,158,897	1,09,495	
Coast Ports ..	British—				
	Coasting	3,112	3,889,813	1,45,655	
	Other than coasting ..	327	496,632	42,244	
	Foreign	653	127,992	14,763	
	Native	18,887	640,002	24,627	
	Total ..	22,979	5,154,439	2,27,289	

At Madras there has been a decrease in the number of vessels under "coasting," "other than coasting" and "foreign," as well as in the tonnage and the dues collected.

At Coast ports there was a decrease under "coasting," an increase under "other than coasting" and "foreign," and a decrease in number and tonnage under "native," but an increase in the dues collected from the last class of vessels, due to the rates leviable on such vessels being enhanced in the year for the Eastern group to the maximum amount of the schedule.

Taking into account the aggregate tonnage that entered the port during the year, that is, the tonnage of each visit and the exemptions from payment availed of by the several vessels under the limit within which dues are payable in accordance with the sanctioned schedule, the actual payments averaged as follows:—

	Per ton. As. P.
Madras—	
Coasting vessels	0 11
Other than coasting	2 2
Foreign	1 8
Native	1 0
Coast Ports—	
Coasting vessels	0 7
Other than coasting	1 4
Foreign	1 10
Native	0 7

14. The following is a statement of the value of, and duty on, the import and export trade of the principal ports in the Presidency exclusive of Government stores and Government and private treasure, the figures being taken from the Revenue Board's Volume of Sea-borne Trade and Navigation for 1897–98. In point of relative importance of trade, the ports stand in the order in which they are arranged in the statement:—

Ports.	Tons.	Value of		Total.	Duty on		Total.
		Imports.	Exports.		Imports.	Exports.	
		Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Madras	1,158,897	6,87,87,036	5,54,14,495	12,42,01,531	28,08,581	16,426	28,25,007
Tuticorin	422,619	84,55,111	2,01,53,328	2,86,08,439	1,38,975	1,27,578	2,66,553
Cochin	439,609	81,94,208	1,37,24,344	2,19,18,552	40,599	222	40,821
Calicut	411,043	65,92,621	1,15,04,762	1,80,97,383	25,147	688	25,835
Cocanada	466,995	42,34,907	1,35,77,322	1,78,12,229	30,360	30,156	60,516

Decrease	625,214	..	34,07,617	..	..	65,427	..

Coast Ports.

15. *Gopalpur.*—There was a decrease in both export and import trade, due to famine and to plague at Bombay. Passenger traffic increased in the number that went over to Burma. A number of tie rods of the pier had to be removed as they became detached at one end through surf and rust. There is only one crane now left on the pier, which the steamer agents use when shipping heavy logs and is kept in repair by them.

Calingapatam.—The sand hill here advanced considerably towards the lighthouse buildings. The casuarina plants put down early in the year were mostly destroyed by sand drift and only some 500 trees remained thriving. A nursery was started to keep in readiness a stock of young plants to put down during the rains.

Bimlipatam.—Nine cargo boats were capsized in the year.

Cocanada.—The Conservancy Board held thirteen meetings. Shipments of jaggery were very small and consequently there was a large falling off in receipts from shipping fees. The launch *Empress* and the tug *Gódávari* were overhauled and repaired. Flagstaff was overhauled and painted. Wharves and cranes were maintained in good condition. The dredging work done at this port is noticed elsewhere. The north groyne extension got damaged in stormy weather and was repaired.

Masulipatam.—Trade dull owing to scarcity and to exports finding way out by land in preference to sea. The buoys in the roadstead broke adrift on three occasions, but were replaced in position. The Landing and Shipping Dues Committee held five meetings. There were serious defalcations in the Landing and Shipping Dues office, for which the clerk and bill-collector were prosecuted and the former convicted.

Cuddalore.—Trade was slack owing to a large falling off in the export of ground-nut to foreign ports.

Negapatam.—The wreck-buoy went adrift once, but was recovered and replaced in position. The supply of an additional crane (for the south jetty) was arranged. The dredger *Havelock* was hauled up and general repairs carried out. The work done by this vessel is noticed elsewhere. The Landing and Shipping Dues Committee held nine meetings. A new port boat was provided.

Pámban.—Trade slack owing to famine causes. Fewer native craft passed through the channels owing to the competition of the British India Steam Navigation steamers. The reef channel maintained its usual depth. The sand bank channel showed a slight silting up. All the buoys were lifted, cleaned, painted and replaced in position.

Tuticorin.—Trade brisk; likewise passenger traffic with Ceylon. Buoys, beacons, piers and other marine structures in good condition.

Cochin.—Owing to erosion of the Vypeen foreshore a stone revetment was run out and subsequently raised higher. The Cruz Milagre dam was repaired. The question of providing a new building for Port office and residence was still under consideration. A temporary crew and boat were maintained for plague patrol.

Calicut and Beypore.—New quarters for the Port officer were completed and taken over. A lighthouse inspector for the West Coast division was stationed at Calicut. Two hundred and seven pilgrims for Jeddah were embarked from Beypore. Three Indian Marine steamers and one private steamer visited the port in connection with the movement of military reliefs. The pier was taken back from the Pier and Warehouse Company.

Tellicherry.—Annual repairs to flagstaff, port boat and boundary pillars carried out.

Cannanore.—A new flagstaff was erected. Boat jetty in good condition.

Mangalore.—Bar maintained a wider channel. Flagstaff was removed and re-erected on the Bunder.

Inspection.

16. The Presidency Port Officer visited all the important ports of the Presidency and, with the Pearl Fishery steamer *Margarita* at his disposal, was enabled to make a more satisfactory inspection than in previous years.

Accounts.

17. The transactions of Port Funds (Act X of 1889) for the year under review have been classified as group funds in accordance with G.O., No. 261, Marine, dated 19th March 1897.

Abstract of Appendix B furnishes particulars of trade and port dues collected from each class of vessels during 1897–98. There was a slight decrease in the collections of coasting and other British vessels dues, which calls for no special explanation.

Appendix C shows the financial position of the Port and Marine funds on the 31st March 1898.

Particulars of receipts and charges of Port Funds (Act X of 1889) are contained in Appendices C (i) and C (ii). Pier receipts and charges which were hitherto included and shown under Port funds have been separately accounted for in 1897–98. Details of lighthouse charges were furnished in a statement forwarded with the Annual Report on Lights and Lighthouses for 1897–98, and those of general charges are contained in Appendix C (iii).

Fees received and paid during the year are shown in Appendix C (iv). Of the sum of Rs. 25,609 being fees collected, Rs. 9,384 was paid as overtime fees, and Rs. 5,634 as personal allowance to Port officers and Conservators, and there remained a saving of Rs. 10,591 under this head.

Government securities of Rs. 50,000 and Rs. 12,000 which stood to the credit of Madras and Cochin Pilotage funds, respectively, were transferred to the Madras and Western Group Port funds in accordance with the orders of Government, No. 711, Marine, dated 10th August 1897.

Rupees 15,742–13–0, the surplus balance of the Pámban and Kilakarai Pilotage fund, and Rs. 2,930–15–0 of the Cochin Pilotage fund were transferred to credit of the Eastern and Western Group funds, respectively, under G.O., No. 261, dated 19th March 1897. A sum of Rs. 86,917–4–7 made up of two sums Rs. 35,106–5–0 and Rs. 51,810–15–7 being surplus balances of the Madras Port funds for 1895–96 and 1896–97, respectively, was paid during 1897–98 as contribution to the Harbour Trust Board and Madras Pilotage fund, *i.e.*, Rs. 82,617–12–4 to the former and Rs. 4,299–8–3 to the latter.

The transactions of the year of the Eastern Group Port fund resulted in a deficit of Rs. 18,153, and this was due to heavy Public Works charges on account of the Kistna and Manapad lights. The balance that stood to the credit of the Eastern Group fund on the 31st March 1898 was Rs. 2,27,529 against Rs. 2,45,682 that stood to its credit on the same date in the previous year.

The Western Group fund was in a flourising state the balance of Rs. 3,60,601 on the 31st March 1897 having risen to Rs. 3,99,515 on the 31st March 1898.

The surplus of the Madras Port fund for 1897–98 was Rs. 42,006–9–8 against Rs. 51,810–15–7 of the previous year; and the decrease was, in a great measure, due to charges on account of the Madras, Pulicat, Armeghon and Seven Pagodas light-houses having been debited to Madras Port fund in accordance with G.O., No. 261, dated 19th March 1897. Out of this sum, Rs. 10,762–8–2 will have to be transferred during the current year to Madras Pilotage fund to meet its deficit for the year 1897–98. No proposal is made for the transfer of the remaining surplus to the Harbour Trust Board, as money is required in connection with lighthouse works for this port (*vide* paragraph 8 of G.O., No. 316, Marine, dated 29th April 1898).

Pilotage Funds (Act X of 1889).

18. Two sums of Rs. 4,299–8–3 and Rs. 13–15–7 were transferred during the year as contribution from the Madras and Western Group Port funds, respectively, to meet the deficit of the Madras and Mangalore Pilotage funds on the 31st March 1897.

The transactions of the Madras Pilotage fund for the year 1897–98 resulted in a deficit of Rs. 10,762–8–2, and is due to a fall in receipts of about Rs. 4,400 and also to expenditure including cost of establishment in connection with the additional boat for Harbour Masters and certain charges incurred in connection with the steam launch in the previous year having been debited in the accounts of the year under review. This deficit of Rs. 10,762–8–2 will have to be met by a contribution from the Madras Port fund out of its surplus for the year.

There remained a surplus of Rs. 9,420–10–4 to the Pámban and Kilakarai Pilotage fund for 1897–98, and this sum will have to be transferred to the Eastern Group Port fund.

The small deficit of Rs. 528–6–5 of the Cochin Pilotage fund is due to fall in receipts during the year and will have to be met by a contribution from the Western Group Port fund.

The surplus of the Mangalore Pilotage fund was small, *i.e.*, annas 8, and has to be transferred also to Western Group Port fund.

Landing and Shipping Dues (*Act III of* 1885).

19. The transactions of the year 1897–98 resulted in a surplus balance at all ports where this Act is in force.

Pier Dues (*Acts V of* 1863 *and VII of* 1871).

20. Receipts and charges on this account have been accounted for separately during the year. The pier at Tuticorin had a large surplus of Rs. 20,900, and the deficit of Rs. 2,351 of Calicut pier was due to charges on account of repairs incurred during the year.

Summary.

21. There was a decrease at Madras in the number of vessels, tonnage and dues as compared with the previous year's figures. At coast ports there was a decrease in coasting steamers and native craft, and an increase in semi-coasting and foreign vessels.

Seven hundred and eleven vessels of 1,158,897 tons (total) visited Madras port paying Rs. 1,09,495, port dues; 22,979 vessels of 5,154,439 tons (total) called at coast ports paying Rs. 2,27,289 port dues.

The largest passenger traffic took place at Tuticorin (81,329 arrivals and 113,308 departures), Pámban (25,142 and 42,918), and Negapatam (23,115 and 38,073).

Tuticorin heads the coast ports in trade.

There were sixteen shipping casualties. The barque *Amanath Rahiman*, 306 tons, was completly lost with three of her crew in collision with the S.S. *Nawab*. A court of enquiry was held at Calcutta. The barque *Mohidin Bux*, 377 tons, foundered with all hands on board numbering 26 men.

APPENDIX A.

Statement of Wrecks and Casualties which have occurred, or have been reported, at Ports in the Madras Presidency during the official year 1897–98.

Date.	Name of vessel.	Tonnage.	Summary of particulars furnished by the reporting officer.	Finding of the Court of Inquiry.
1897.	(*Foundering.*)			
27th April ..	British muchwa "Yeshwanthy." Tindal, Govind Laxuman Shivalhee.	19	Foundered off Mont Dilly near Tellicherry through stress of weather. No lives lost. Loss to vessel Rs. 1,000 and to cargo Rs. 4,536.	
	(*Miscellaneous.*)			
7th Sept. ..	British manji "Navaljool Bari." Tindal, Maidin Cooty.	15	While crossing the bar at Ponnani the vessel's rudder broke and she ran over a sand bank and was capsized. Partial loss to vessel Rs. 25 and to cargo Rs. 1,181. No lives lost.	
	(*Collision.*)			
8th „ ..	British dhoney "Mohomed Samdany." Tindal, Mohomed Aliar.	76	Owing to a sudden squall the vessel dragged her anchor and collided with the dhoney "Japamal Mathavi Puravy" in the roadstead of Negapatam. Slight damage to the dhoney.	
	(*Stranding.*)			
28th „ ..	British S.S. "Deepdale." Master, E. Peck.	1,650	The vessel overran her distance owing to a strong set towards the south and stranded off point Calimere, but got off. No lives lost. No loss to the steamer or cargo.	
	(*Foundering.*)			
4th Oct. ..	British brig "Kistnamurthy." Tindal, Pesing Narayanasawmy.	180	Whilst on her way from Masulipatam to Calcutta the vessel encountered bad weather and sprang a leak and foundered in lat. 17°, 13′ long. 84°. No lives lost. Total loss to the vessel Rs. 5,000.	
	(*Stranding.*)			
27th „ ..	British boat No. 1 of Nagore. Tindal, Subramaniyapadyachi.	..	While crossing the Coleroon bar the boat struck aground and sank. Loss to the boat Rs. 100 and to cargo Rs. 19½.	
	(*Foundering.*)			
28th „ ..	British muchwa "Ramprasad." Tindal, Jacoo Madavu.	62	While leaving Calicut the muchwa struck on a patch of rock near Kalai river bar and foundered. No lives lost. Total loss to vessel Rs. 2,500 and to cargo Rs. 320.	
	(*Stranding.*)			
12th Nov. ..	British padow "Rooparell." Tindal, Jeeva Pola.	50	While shifting berth in the inner harbour of Cochin the vessel drifted ashore through a sudden shift of wind. Partial loss to vessel Rs. 15 and to cargo Rs. 110.	
	(*Collision.*)			
29th „ ..	British S.S. "Nawab." Master, W. S. Corran.	2,041	Collided with the barque "Amanath Rahiman" in the vicinity of Pigeon Island while on a voyage from Bombay to Colombo which resulted in the sinking and total loss of the barque. Three men of the barque were drowned. Total loss to the barque Rs. 50,000 and to cargo Rs. 15,000. No damage to the steamer.	Court of Inquiry held at Calcutta on the 17th January 1898 and cause of collision attributed to the lights of the barque not being in good position and being defective in illuminating power.
	(*Stranding.*)			
4th Dec. ..	Schooner "Anantha Poorany." Tindal, S. Muruga Pillay.	87	Grounded on a shoal in the inner harbour of Tuticorin. No loss to the vessel or cargo.	
	(*Stranding.*)			
24th „ ..	British Pattr. "Yeshvanty." Tindal, Madoo Ittoo	72	While coming into the anchorage the vessel grounded on the sand at the northern entrance of the Cochin harbour.	
	(*Miscellaneous.*)			
26th „ ..	Fattemari "Sawai Yeshwanti." Tindal, Pandoo Ganoo.	152	Sprung a leak and capsized off the mouth of the Kottakal river. Total loss to the fattemar Rs. 12,000.	

Statement of Wrecks and Casualties which have occurred, or have been reported, at Ports in the Madras Presidency during the official year 1897–98—*cont.*

Date.	Name of vessel.	Tonnage.	Summary of particulars furnished by the reporting officer.	Finding of the Court of Inquiry.
1897.	(*Foundering.*)			
26th Dec.	Barque "Mohideen Bux." Master, ——.	377	While on her voyage from Moulmein to Tondi the barque encountered a cyclonic storm and foundered in lat. 13½ N. long. 80½ E.; 26 men were lost. Total loss to the barque Rs. 18,000 and to cargo Rs. 6,000.	
1898.	(*Stranding.*)			
10th Jan.	Boat "Mohidin Bux." Tindal, Sadakvappa (*Stranding.*)	18	Grounded off Vatta Par in the inner harbour of Tuticorin. Partial loss to the vessel Rs. 200 and to cargo Rs. 45.	
2nd Feb.	Pattimar "Alimadath." Master, Hammaiba. (*Foundering.*)	27	While on her way from Cochin to Cannanore, the vessel ran upon a sand bank near the southern pillar at the port of Ponnani. Partial loss to vessel Rs. 150 and to cargo Rs. 120.	
23rd "	Muchwa "Sarasgathy." Master, Thuckaram.	16	While on her way to Cochin, the vessel collided with the S.S. "Bhundara" near Ponnani, sprang a leak and foundered. Total loss to the muchwa Rs. 700. No lives lost.

APPENDIX J.

STATEMENT showing the particulars of Dredging Operations at the Port of Cocanada for the official year 1897–98, including the figures of the previous two years.

Name of dredger.	Particulars.	Previous two years.		1897–98.
		1895–96.	1896–97.	
Priestman's Dredger.	(a) Days working	183	222	202
	(b) Hours dredging	1,630	1,998	1,817
	(c) Barges loaded, giving number of tons each	992 of 59¾ tons and 167 of 29 7/16 tons.	925 of 59¾ tons and 134 of 29 7/16 tons.	940 of 59¾ tons and 384 of 29 7/16 tons.
	Boats			
	barge will hold.			
	boat	63,883·6	61,045	67,235 3/16
	(d) Tons dredged	47,322	46,219	49,998
	(e) Cubic yards dredged .. .. Tons.	349·08	274·9	332·7
	(f) Average outturn per day	As. 1–2	As. 1–5	As. 1–11
	(g) Working expenses per ton ..			
Priestman's Dredger.	(a) Days working	241	231	188
	(b) Hours dredging	2,193	2,079	1,683
	(c) Barges loaded, giving number of tons each	1,164 of 59¾ tons and 398 of 29 7/16 tons.	973 of 59¾ tons and 161 of 29 7/16 tons.	800 of 59¾ tons and 259 of 29 7/16 tons.
	Boats			
	barge will hold.			
	boat	80,961·7	62,965	56,029¾
	(d) Tons dredged	59,972	46,641	41,504
	(e) Cubic yards dredged .. .. Tons.	331·4	272·5	292·7
	(f) Average outturn per day	As. 1–1	As. 1–6	As. 1–11
	(g) Working expenses per ton ..			

APPENDIX J (i).

STATEMENT showing the particulars of Dredging Operations at the Port of Cuddalore for the official year 1897–98, including the figures of the previous two years.

Name of dredger.	Particulars.	Previous two years.		1897–98.
		1895–96.	1896–97.	
Steam Dredger.	(a) Days working	96	124	90
	(b) Hours dredging	576	744	540
	(c) Barges loaded, giving number of tons each	1,438½ of 4 tons each.	2,002½ of 4 tons each.	*Nil.*
	Boats			
	barge will hold.			
	boat	5,742	8,011	6,046
	(d) Tons dredged	4,255	5,934	4,479
	(e) Cubic yards dredged .. .. Tons.	68	65	67
	(f) Average outturn per day	As. 2–0	As. 2–9	As. 4–7
	(g) Working expenses per ton ..			

APPENDIX J (ii).

STATEMENT showing the particulars of Dredging Operations at the Port of Negapatam for the official year 1897–98, including the figures of the previous two years.

Name of dredger.	Particulars.	Previous two years.		1897–98.
		1895–96.	1896–97.	
Bucket dredger *Havelock.*	(a) Days working	95	95	229
	(b) Hours dredging	834¼	834¼	1,835¼
	(c) Barges loaded, giving number of tons each	1303½ of 10 tons and 316½ of 14 tons.	1303½ of 10 tons and 316½ of 14 tons.	1,019½ of 14 tons and 439 of 16 tons.
	Boats			
	barge will hold.			
	boat	5,738½	5,738½	22,257
	(d) Tons dredged	3,672½	3,672½	14,282½
	(e) Cubic yards dredged .. .. Tons.	60½	60½	97
	(f) Average outturn per day	As. 7–9	As. 7–9	As. 5–10
	(g) Working expenses per ton ..			

APPENDIX K.

Particulars of seamen shipped and discharged at Ports in the Madras Presidency under the various Merchant Shipping Acts in the official year 1897–98.

Name of port.	Europeans.		Asiatics.		Total.	
	Shipped.	Discharged.	Shipped.	Discharged.	Shipped.	Discharged.
Vizagapatam	6	..	1	2	7	2
Cocanada	1	1	29	25	30	26
Madras	17	14	33	912	50	926
Cuddalore	..	..	20	63	20	63
Porto Novo	..	..	59	23	59	23
Negapatam	3	1	203	99	206	100
Tuticorin	..	..	12	..	12	..
Cochin	..	1	25	49	25	50
Calicut	..	..	..	96	..	96
Total of year under report ..	27	17	382	1,269	409	1,286
Total of previous year ..	24	27	437	1,324	461	1,351
Increase ..	3	..	..	..	..	..
Decrease ..	..	10	55	55	52	65

APPENDIX L.

Statement showing the number of cargo and other licensed boats at the principal ports in the Madras Presidency at the end of the official year 1897–98.

Name of ports.	Number of boats serviceable.	Number of boats unserviceable.	Total.
Gopalpur	82	..	82
Calingapatam	65	35	100
Vizagapatam	172	10	182
Bimlipatam	134	67	201
Cocanada	350	22	372
Masulipatam	33	20	53
Cuddalore	105	55	160
Porto Novo	45	27	72
Negapatam	135	..	135
Pámban	83	27	110
Tuticorin	188	62	250
Cannanore	47	22	69
Tellicherry	55	3	58
Calicut and Beypore	134	31	165
Cochin	119	97	216
Mangalore	131	..	131
Total of 1897–98 ..	1,878	478	2,356
Total of 1896–97 ..	1,784	509	2,293
Increase ..	94	..	63
Decrease ..	..	31	..

APPENDIX M.

Statement showing particulars of Repairs, Works, &c., carried out through the Agency of the Port Department at Ports in the Madras Presidency during the official year 1897–98.

Name of Port.	Nature of Work.	Cost.	Total.
		Rs. A. P.	Rs. A. P.
Gopalpur ..	Whitewashing boundary pillars	7 8 0	
	Repairs to Port boat	40 0 0	47 8 0
Baruva ..	Petty repairs to flagstaff	16 0 0	
	Do. to boundary pillars	35 0 0	51 0 0
Calingapatam ..	Annual repairs to port boat	10 0 0	
	Repairs to flagstaff and shed	12 10 0	
	Do. to north boundary pillar	2 12 0	25 6 0
Vizagapatam ..	Renewing topmast of flagstaff	100 0 0	
	Repairs to anchor and chain of mooring buoy	20 7 9	120 7 9
Bimlipatam ..	Annual repairs to Port office, signaller's quarters, flagstaff and boundary pillars	36 0 0	
	Whitewashing and petty repairs to Santopilly lighthouse buildings ..	93 14 0	129 14 0
Masulipatam ..	Periodical lifting and replacing of roadstead buoys	154 8 0	
	Repairs to flagstaff, basement, &c.	18 4 0	
	Repairs to Port Officer's bungalow	44 12 0	217 8 0
Cuddalore ..	Painting and rigging flagstaff	13 0 0	
	Repairs to boundary pillars, signaller's quarters, &c.	21 0 0	34 0 0
Negapatam ..	Repairs to Boat overseer's office	50 0 0	
	Constructing a new Port boat	592 10 0	642 10 0
Cochin ..	Temporary repairs to Port office building	60 0 0	
	Annual repairs to lighthouse, coal shed, boat-house and store godowns ..	79 0 0	
	Constructing a revetment on the Cruz Milagre foreshore	63 0 0

	Total ..	..	2,552 9 9

ADMINISTRATION REPORT OF THE OFFICE OF AGENT FOR GOVERNMENT CONSIGNMENTS, MADRAS, FOR THE OFFICIAL YEAR 1897–98.

There was no change in the establishment during the year under report.

2. The quantities of Government stores landed and shipped for the various departments, during the past three official years are shown in the appended two statements, viz. :—

Import (A). | Export (B).

3. The total number of packages with their tonnage under import and export in the year 1897–98 will be found compared with the previous year's figures as under :—

Import.

	Number of packages.	Tons.
1896–97	48,363	4,912
1897–98	66,797	5,801
	+ 18,434	+ 889

Export.

1896–97	37,105	2,960
1897–98	27,821	2,421
	— 9,284	— 539

4. The increase under import is chiefly made up by the larger quantities of Stamp, Stationery, Telegraph and Public Works stores landed in the year.

5. The decrease noticed under export is due to a general falling off in military stores and to non-shipment of treasure, which, in the year under report, was probably railed on to the northern ports.

6. Landing and removal of stores was carried on by contract as in previous years.

7. The landing charges amounted to As. 13–6 per ton. The rate provided for general cargo was very favourable. There has, however, been a larger quantity of metal and heavy stores imported by the Telegraph, Public Works and Ordnance departments in the year under report and for which a higher rate is payable.

8. Cart and cooly hire for removing stores averaged As. 6–3 per ton.

9. Boat hire paid for shipping stores, exclusive of cost of establishment, was As. 12–3 per ton. The work of engaging boats and shipping stores was, as usual, performed departmentally.

10. Total value of stores damaged, short-delivered and lost during discharge from steamers was Rs. 2,128–10–10, of which sum the following recoveries were effected :—

	Rs.	A.	P.
From the steamer agents	1,111	6	9
„ landing contractor	549	0	1

The remaining sum of Rs. 468–4–0 was borne by Government on account of stores lost by accident of the sea.

11. The present system of landing stores by contract has been in force for ten years, and it may be of interest to show the actual result of the working of that system during this period. To illustrate this a tabulated statement is attached.

12. There has been no loss whatever to Government on account of stores shipped during this period, which shows that the subordinates of this office have carried out their duties efficiently. A statement (Appendix D) showing shipments of stores for the past ten years is also attached.

13. In connection with loss of stores during the year under report there was one occurrence of a most unusual nature, viz., the disappearance of a case of service postage stamps after being delivered to the landing contractor. This is the second occasion on which a package has not been accounted for; but, on the first occasion, the package was recovered from the sea many months after the failure of the agents of the vessel to account for its short delivery.

14. From the tabular statement (Appendix C) attached, it will be observed that during ten years the loss to Government has been only Rs. 3,398, or an average of Rs. 339–12–0 per annum. These losses were mostly due to accidents of the sea, and wastage of coal. In view of the fact that landing operations are largely carried out in a harbour exposed to heavy swell, and in small boats and open lighters, it is considered that the various contractors have, as a rule, carried out their duties satisfactorily.

Madras,
7th September 1898.

(Signed) H. D. BADDELEY,
Agent for Government Consignments.

* Being value of five bags of sugar damaged in boat while being conveyed to steamer.

† Value of two telegraph rails which fell from ship's sling and were lost in the sea.

‡ Value of seven straps (leather) extracted from one Ordnance package by boatmen.

Order—No. 962, Marine, dated 16th November 1898.

With his letter read above, the Presidency Port Officer submits the Administration Report of the Madras Port Department for the year 1897-98; also the reports of the Agent for Government Consignments and of the Deputy Conservator of the Port of Madras for the same period.

2. *Official Staff.*—Commander H. A. Street, R.I.M., was in charge of the department during the year under review. Particulars of changes in the staff are given in Appendix H of the report.

3. *Acts.*—The action taken under the various Marine Acts in force is specified in paragraph 2 of the report.

4. *Casualties.*—There were 16 * shipping casualties during the year as against 17 in the previous year, but only two were attended with loss of life; in one case 3, and in the other 26 persons met their death. A Court of Inquiry was held at Calcutta in connection with the sinking of the barque *Amanath Rahiman*, which was run down by the Asiatic Steam Navigation Company's steamer *Nawab*, in the vicinity of Pigeon Island off the West Coast. The Court found that the collision was due to defects in the lighting arrangements of the barque.

*1895-96	30
1896-97	17
1897-98	16

5. *Tonnage and Dues.*—The following statement gives the number and tonnage of the several classes of vessels that entered the ports of the Madras Presidency, and the dues paid by them during the year as compared with the figures for the two preceding years :—

—	Number of vessels.	Tonnage.	Dues paid.
Madras.			Rs.
1895-96	742	1,225,426	1,19,765
1896-97	767	1,243,423	1,20,932
1897-98	711	1,158,897	1,09,495
Other Ports.			
1895-96	25,861	6,255,303	2,42,201
1896-97	24,948	5,779,653	2,21,866
1897-98	22,979	5,154,439	2,27,289

6. It is observed that at Madras there was a decrease in the number of vessels, tonnage and dues; while at other ports the dues show an increase as compared with the previous year, notwithstanding a fall in the number of vessels and amount of tonnage. The enhanced receipts at coast ports is attributed to the port dues for the Eastern group having been raised during the year to the maximum rates allowed by law.

7. *Trade.*—The following statement gives an abstract of the value of the import and export trade of the Presidency, exclusive of treasure and Government stores, with the duty paid thereon :—

—	Value.			Duty.		
	Imports.	Exports.	Total.	Imports.	Exports.	Total.
Madras.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
1895-96	6,28,26,933	6,60,98,517	12,89,25,450	30,23,722	1,281	30,25,003
1896-97	6,65,41,183	5,81,52,170	12,46,93,353	25,14,170	12,245	25,26,415
1897-98	6,87,87,036	5,54,14,495	12,42,01,531	28,08,581	16,426	28,25,007
Other Ports.						
1895-96	6,18,49,698	11,96,26,117	18,14,75,815	3,79,228	4,35,103	8,14,331
1896-97	4,63,51,233	11,28,03,593	15,91,54,826	3,29,222	7,92,756	11,21,978
1897-98	5,53,46,420	10,93,95,976	16,47,42,396	4,36,017	7,27,329	11,63,346

8. At Madras there was a decrease of Rs. 4,91,822 in the total value of imports and exports, while the duties collected showed an increase of Rs. 2,98,592 as compared with the previous year. The other ports showed an increase of Rs. 55,87,570 in the total value of imports and exports and of Rs. 41,368 in the amount of duties collected. Paragraph 11 of the Presidency Port Officer's review exhibits the ports in the order of their relative importance as regards trade.

9. *Passenger Traffic.*—The number of passengers outwards increased by 33,198, and the number inwards decreased by 18,260 as compared with the previous year. Tuticorin, Pámban and Negapatam continued to show the largest traffic. The numbers at these ports were as follows :—

	Outwards.	Inwards.
Tuticorin	113,308	81,329
Pámban	42,918	25,142
Negapatam	38,073	23,115

10. *Registration of Vessels.*—The number of vessels registered under Act X of 1841 fell to 101 from 113. The number registered in each district with the amount of fees collected are given in Appendix G.

11. *Government Vessels.*—The number of vessels in charge of the Port department remained the same as in the previous year, viz., 8.

12. *Licensed Boats.*—The number of serviceable cargo and other licensed boats at the principal ports in the Presidency rose from 1,784 at the end of 1896-97 to 1,878 at the end of the year under review.

13. *Dredging Operations.*—These operations were carried on during the year at Cocanada, Cuddalore and Negapatam. Details are shown in Appendices J—J (ii). The subjoined statement gives an abstract of the results :—

—	Tons dredged.	Average out-turn per day.	Working expenses per ton.
			As. P.
Cocanada	67,235	332·7	1 11
	56,029	292·7	1 11
Cuddalore	6,046	67	4 7
Negapatam	22,257	97	5 10

14. The working expenses per ton were high : at Cuddalore, because the dredger was for a long time idle, pending repairs, and had to pay for establishment; at Negapatam because the rate includes hand dredging. The differences in the working expenses were also due to the cost of discharging the silt at each port, which necessarily varies according to the distance of the place of discharge from the working base, also to local fluctuations in the price of labour and hire of boats.

15. *Accounts.*—During the year under review, the district grouping of Port funds was abolished in favour of two distinct groups only, viz., the Eastern and the Western group, the accounts of the port of Madras remaining separate, as required by law.

16. The opening balance of Port funds under Act X of 1889 on the 1st April 1897 amounted to Rs. 6,93,200. The receipts during the year aggregated Rs. 4,80,840, and the charges Rs. 4,54,989. The closing balance on the 31st March 1898 was thus Rs. 7,19,051. During the year under review, the charges of the Eastern group exceeded the receipts by Rs. 18,153, there having been considerable expenditure in the Public Works Department on the construction of the Krishna and Manapad lighthouses. In the Western group, the receipts exceeded the charges by Rs. 38,914. The closing balance of each group on the 31st March 1898 was as follows :—

	Rs.
Eastern group	2,27,529
Western group	3,99,515

17. In Madras the receipts were Rs. 1,68,633, and the charges Rs. 1,63,544. The year closed with a surplus balance of Rs. 92,007. A sum of Rs. 10,762 from this amount has to be reserved to meet the deficit in the Pilotage fund of the port. The balance after meeting this demand, will be retained to meet charges on account of lighthouses for which the port of Madras is liable.

18. The subjoined statement gives the receipts and charges for the year under Pilotage funds (Act X of 1889), Landing and Shipping Dues (Act III of 1885), and Pier Funds (Acts V of 1863 and VII of 1871):—

—	Receipts (Cash).	Charges (Cash).	Balance.
Pilotage Funds.	Rs.	Rs.	Rs.
Madras	29,776	40,538	— 10,762
Pámban and Kilakarai	11,578	2,157	+ 9,421
Cochin	1,639	2,168	— 529
Mangalore	296	295½	+ ½
Landing and Shipping Dues.			
Vizagapatam	13,876	1,790	12,086
Cocanada	39,838	26,419	13,419
Masulipatam	2,883	440	2,443
Negapatam	14,451	11,686	2,765
Mangalore	8,359	720	7,639
Pier Funds.			
Gopalpur	15	76	— 61
Tuticorin	21,471	571	+ 20,900
Calicut	4,005	6,356	— 2,351

19. Appendix M gives particulars of public works carried out by the agency of the Port department during 1897–98. The cost of such works amounted to Rs. 2,552–9–9.

20. The Presidency Port Officer forwards a copy of the report of the Deputy Conservator. This has already been submitted to Government by the Conservator of the Port of Madras, and was reviewed in G.O., No. 694, Marine, dated 16th August 1898. It will accordingly be excluded from the present proceedings, and need not, in future, form an accompaniment to the Presidency Port Officer's report.

21. *Agent for Government Consignments.*—The statement given below exhibits the number of packages landed and shipped during 1897–98, and their tonnage as compared with the figures for the two previous years:—

—	Imports.		Exports.		Total.	
	Packages.	Tons.	Packages.	Tons.	Packages.	Tons.
1895–96	51,125	4,048	32,773	2,157	83,898	6,205
1896–97	48,363	4,912	37,105	2,960	85,468	7,872
1897–98	66,797	5,801	27,821	2,421	94,618	8,222

22. Under imports, there was an increase. This occurred under Stamps, Stationery, Telegraph and Public Works Stores. The decrease under exports is attributed to a general falling off in the shipment of Military stores and treasure.
