The Hon. Ghulam Muhammad Sahib Bahadur.
REVENUE DEPARTMENT.

II (a). Will Government be pleased to state if its attention has been drawn to the entire absence of the Muhammadan element from the higher grades of the Salt and Abkari department, such as, Assistant Commissioners, Inspectors and Assistant Inspectors?

(b) Is Government aware that even in the lower ranks of the Sub-Inspectors, there are only 27 Muhammadans, whilst there are 776 Hindus?

(c) Will Government be pleased to consider the desirability of transferring one of the Muhammadan Deputy Collectors as an Assistant Commissioner of Salt and Abkari Revenue, as was recently done in case of a Hindu Deputy Collector and draw the attention of the Board of Revenue to this proposal and to the facts mentioned in (a) and (b) in view to a better representation of the Muhammadans in the Salt, Abkari and Customs department?

To Secy.

The fact stated in clause (a) is correct. There is only ^{one} ~~an~~ acting Assistant Inspector who is a ^{Muham} Muhammadan, but no permanent followers of that religion in the three ^{classes} grades named.

2. The fact stated in clause (b) is also substantially correct. There are 783 Sub-Inspectors appointments, of which 22 are filled by Muhammadans. In this calculations acting appointments have been excluded.

3. The Hindu Assistant Commissioner referred to in clause (c) is M & Dy A. Krishnasami Iyengar Aul, now in the Maculipatam Sub-division. There is no rule that there should always be a Hindu Assistant Commissioner; nor can a rule

8/11/49

he made that there should be a Muhammadan. In G.O. No. 6505 of 18.12.97, it was decided that a "native of India" was not debarred from promotion to an Assistant Commissioner's appointment, if he was found fit. This applies to Muhammadans as well as to others. There seems no objection to the Board's attention being drawn to the question as proposed.

FOR ORDERS.

2/12/98 Put up a draft of answers (in all simple cases)

OK yey

To Secretary.
(The instructions have been noted.)
Please see draft below.

3/12/98 Is promotion from Sub Insp^a to Asst Insp^a by test or selection. Have any Insp^a been recently passed over? What is ratio of Mus. to Hindus in Dept?
8/12/98

To Secretary.

Promotion from Sub Inspector to Asst Insp^a ^{is understood} ~~appears~~ to be by selection and not by test. There are no papers on the subject in the office.

2. Appointments up to the ^{grade} ~~posts~~ of Inspector ^{being} ~~are~~ made by the Board of Revenue, and there is no information whether any Muhammadans have been recently passed over in appointing Asst. Insp^a.

3. The proportion of Muhammadans to Hindus is $\frac{1}{14}$, i.e. for every 14 Hindus there are 1 Muhammadans. There is one Muhammadan.

No of Hindus 31,998,245
.. Muhammadans 2,250,386

By selection
2

But this c^d be ascertained by comparing the list of say 2 years ago with the present list JK

KD
3/12/98

To Secretary.

The plan suggested by the Secretary has been tried and a recent list of the salt & Depts

has been compared with a similar one of 1896. The six Subinspectors shown in the statement below have been superseded by their juniors.

KD
6/12/98

Will the Comd^r of Sep Rec. kindly look at this file. Can we safely say that in the last two years 6 Mugh^{as} Subinspectors have been superseded in promotion to Inspectors, or might they have been superseded on the grounds of incompetence?

8/12/98

To the Comd^r of Sep Rec. cc.

which is submitted

There are no Mugh^{as} asst. Inspectors in the Service. One Sub Insp. is acting as asst. Insp. No Sub Inspector has hitherto been promoted to Inspector without passing through the intermediate grade of asst. Insp. Sir Mugh^{as} Sub Inspector appears to have been superseded in their grade by Sir Hindus. The reasons are unknown - promotion of such rank with the D.C. of then Sir on P. Salma Khan was reduced from Rs 400 to Rs 30 on 24.11.98. & the W.K. Mugh^{as} Khan was dismissed on 25.10.98. Copies of orders in these cases are submitted (to be kindly returned)

QUESTIONS proposed to be asked by the Hon'ble GHULAM MUHAMMAD SAHIB Bahadur, at the meeting of the Council to be held on the 13th December 1898.

Revenue Department.

II (a). Will Government be pleased to state if its attention has been drawn to the entire absence of the Muhammadan element from the higher grades of the Salt and Abkari department, such as, Assistant Commissioners, Inspectors and Assistant Inspectors?

(b) Is Government aware that even in the lower ranks of the Sub-Inspectors, there are only 27 Muhammadans, whilst there are 776 Hindus?

(c) Will Government be pleased to consider the desirability of transferring one of the Muhammadan Deputy Collectors as an Assistant Commissioner of Salt and Abkari Revenue, as was recently done in case of a Hindu Deputy Collector and draw the attention of the Board of Revenue to this proposal and to the facts mentioned in (a) and (b) in view to a better representation of the Muhammadans in the Salt, Abkari and Customs department?

What kind of Col. was recently made an Asst Commr. and
had

yes. Govt is not going to mixing matters. H.A.

Hon'ble Mr. Reply.

The attention of the Board of Revenue will be drawn to the questions put by the Hon'ble members. It may be stated, however, that ~~decrease~~ in the last two years six Muhammadan Sub Inspectors have been superseded in their grade by six Hindus and of these six, one has ^{recently} been reduced and another dismissed. ~~recently~~

H.A.
 For orders as to whether anything should be laid on the subject. It shows that their not getting on is largely due to themselves. H.A.

Presumably for inefficiency

The answer to (c) is in the negative. The Hindu Dy. Colr. referred to had ten years training in the Separative Revenue Dept. before being appointed Asst Commr. H.A.

Verify this addition. 9.12.98.
