Reference No. 94 dated 27th January 1899

RA

In its order no. 602 miscellaneous, dated 2nd February '97 the Government sanctioned the resumption of a charitable inam in the village of Uttangi in the Hadagalle Taluk, and the transfer of the assessment thereon minus the jodi to the Hospet Taluk Board on condition of its rendering the prescribed service, namely, supplying water to cattle and men in the village during the hot season.

2 The Taluk Board, however, having been misled by the Collector's original reference, wherein it was merely asked if it was willing

willing to take up the man," erroneously
thought that the land itself had been transferred
and accordingly took steps to lease it out.

This resulted in the filing of a suit by the
original mandar, and now the Taluk Board
declines in the altered circumstances of the
case to accept the assessment minus the
jodi for rendering the prescribed Service,
on the ground that with the proceeds of the
inam (Rs 31-10-0) the service which is estimated
to cost Rs 100 annually, cannot be maintained.

3. In these circumstances, the Collector
recommends that the stipulation requiring
the Taluk Board to maintain the particular
Service referred to may be withdrawn, and
that it may be permitted to utilize the
amount for the improvement of water supply
within the local limits of its jurisdiction,
as in the similar cases disposed of in

Government Orders Nos 556 dated 22nd.
