READ—also the following papers:—

From W. S. MEYER, Esq., Deputy Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Calcutta, 20th December 1898, No. 5548-Ex.

I am directed to acknowledge the receipt of your letter, No. 325, dated the 19th April 1895, regarding the claim to exchange compensation allowance of Mr. C. W. P. St. John, Assistant Commissioner of the Salt, Abkari and Customs Department, Madras.

2. In reply, I am to refer you to paragraph 25 of the resolution in this department, No. 4847-Ex., dated the 5th November 1898, under which Mr. St. John is eligible for exchange compensation allowance under the new rules.

3. Under the old rules Mr. St. John was debarred from the allowance by reason of his father, Colonel St. John, having acquired a technical Indian domicile by coming out in the service of the Honourable East India Company. If, however, Colonel St. John settled in Europe on retirement from the service, the Government of India would be prepared to waive this bar on the ground that Mr. C. W. P. St. John was educated in England and that his father resided in India (with intervals of leave home) only by reason of his profession, and to consider the claimant eligible under the old rules also.

4. With the permission of His Excellency the Governor in Council the case may be dealt with on these lines.

From W. S. MEYER, Esq., Deputy Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Calcutta, 20th December 1898, No. 5556-Ex.

I am directed to acknowledge the receipt of your letter, No. 28, dated the 12th January 1895, forwarding memorials from Messrs. E. R. R. Mainwaring and C. M. Sherman of the Madras Salt Department, on the subject of their claims to exchange compensation allowance.

2. In reply, I am to refer you to paragraph 25 of the resolution of this department No. 4847-Ex., dated the 5th November 1898, from which it will be seen that Messrs. Mainwaring and Sherman who are not Statutory Natives of India are entitled to exchange compensation allowance under the new rules. They may be also, the Government of India think, equitably be admitted to the allowance under the old rules, as they were educated in England and were only debarred by the technical legal domicile which their fathers acquired by entering the service of the Honourable East India Company.

ORDER—No. 115, Financial, dated 18th January 1899.

Communicated to the Board of Revenue and to the Accountant-General.

2. The Board will be requested to furnish the information in regard to Mr. C. W. P. St. John referred to in paragraph 3 of the letter from the Government of India, Finance and Commerce Department, No. 5548-Ex., dated 20th December 1898, and will submit a statement of the cases of all officers of the Salt, Abkari and Customs Department who are not Statutory Natives of India, but who were, like Messrs. E. R. R. Mainwaring and C. M. Sherman, debarred from drawing exchange compensation allowance under the old rule by the technical legal domicile which their fathers acquired by entering the service of the Honourable East India Company.
