No 18.

Sir,

I have to acknowledge receipt of your despatch No 4954 dated 15th December, and as requested I addressed the three Experiment Stations in Java with a view to securing copies of their reports for the United Planters Association of Southern India. I am glad to say that from the Station at Pasoeroean in East Java, I was able to procure, a series of reports (which I post you today under separate cover) free of cost, but they will continue to forward their publications only on the understanding that the United Planters Association should forward them copies of any reports they may issue. The Manager of the Station for Indigo at Klaten informs me that he can only send copies of his reports to those who subscribe to the maintenance of the station.

I am still in correspondence with the station at Kagok, Tegal, and will acquaint you with the result later.

I have the honor to be,

Sir,

Your obedient servant,

A. F. McLachlan

Acting British Consul.

The Hon'ble Mr G. S. Forbes I.C.S.

Secretary to the Government of Madras,

MADRAS.
