From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 20th January 1899, No. 207.

the adjustment will appear in the statement of plague charges for the quarter ending 31st December 1898. The difference, Rs. 62, is the travelling allowance paid to the Assistant Surgeon E. L. Chalke in South Arcot for the journeys made by him while employed as Additional Medical Officer on plague duty at Anantapur, and the amount has therefore been debited to the head "24. District Grants for Medical Purposes."

December 1898, I have the honour to state that the sum of Rs. 1,394-6-1 referred to consists of items noted in the margin. Of this, the sum of Rs. 1,332-6-1, which was originally debited to "24-D. Grants for Medical Purposes," has since been transferred to 24-A. Medical—"Medical Establishment" under the revised classification of charges ordered in Madras G.O., No. 698, Financial, dated 15th August 1898, and
