Office of the Board of Revenue,
(Land Revenue),
Madras, dated 12th December 1898.

Read letter from Robert B. Clegg Esquire, Ag. Collector of Salem, Ref. No. 2264-Cur., dated 26th November 1898.

Reference No. 1419 dated 12th December 1898.

The Collector of Salem reports that the two ^{villages} villas of Eriputtur and Agraharanattamangalam in the Salem taluk --- form a single karnam's charge or pari and that they are allowed --- separate munsifs at present on a pay of Rs. 2 and 4 per mensem respectively. The villages are within a mile of each other and yield a beriz of Rs. 695 and Rs. 1464 respectively. The munsif monigar of the smaller village (Eriputtur) having recently died, the Collector --- finds it impracticable to secure from among the small resident --- population a competent person for the vacant post. He accordingly recommends that the two villages may be grouped together so as to form one munsif's charge, the pay of the munsif monigar of the combined group being fixed at Rs. 6 per mensem, which is in accordance with the Anantapur scale and involves no extra cost to the Village Service Fund. The Board requests the sanction of Government for the Collector's proposal as a temporary measure, pending the revision --- of the village establishments, which will take place on the completion of the resettlement of the Salem Taluk.
