PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :--

From the Superintendent of Stationery, Madras, No. 3452, dated 25th November 1898:-

I have the honour to invite attention to paragraph 2³ of the Appendix to the Proceedings of the Board of Revenue, Land Revenue, No. 592, dated 13th October 1893 on the subject of the grant of copies to parties from which it will be observed that of the two annas which is the value of each copy paper four pies are intended to cover the cost of paper and of pen and ink and the discount allowed on the sale of stamped papers.

2. From this it would appear that public copyists should be supplied with ink and pens by Government, but the Stationery Rules do not provide for this.

3. This was brought to the notice of the Board in September last with the enquiry whether it was the intention of the Board that these articles should be issued free of cost to public copyists, and if so, on what scale. The Board replied in the affirmative with an expression of its opinion that the scale laid down in the Stationery Rules for clerks should be adopted.

4. I have the honour to request the instructions of Government whether corresponding provision may be made in Appendix E of the Stationery Rules.

O F D E R:-No.1193,dated 8th December 1898.

Public copyists should be supplied with ink and pens free of cost, on the scale laid down for clerks.

2. The Superintendent of Stationery will note the addition to be made to the Stationery rules.
