READ—also the following papers:—

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 2nd December 1898, No. 6139.

I have the honour to forward herewith the statements of famine expenditure (Direct and Indirect) during 1897-98 under Provincial and Local, together with statement of contribution from Provincial to Local, the gross expenditure being shown in the statement of direct expenditure and recoveries in a separate statement as desired in paragraph 3 of G.O., No. 535, Financial, dated 14th June 1898.

The statements received from the Examiner of Public Works Accounts in accordance with G.O., No. 607, Financial, dated 15th July 1898, are also submitted.

A statement showing the total advances made in 1896-97 and 1897-98 on account of weavers' relief and the recoveries effected up to date also accompanies.

As regards the balance in Ganjám, the Board of Revenue reported that all famine cloths have been disposed of and steps will be taken to write off the balance. The Collector of Vizagapatam states that he has requested Government to accord sanction for writing off the balance which is irrecoverable. The Collectors of Cuddapah, Anantapur and Bellary have been addressed with a view to expediting the adjustment of their balances. The Board of Revenue has been addressed with regard to the early clearance of the balance in Kurnool.
