OFFICE OF THE BOARD OF REVENUE
 (LAND REVENUE),

Madras, 1st February 1899.

READ— letter from E. A. Elwin Esqre. acting
 Collector of Bellary C no. 553 P dated 17th January
 1899.

[Signature]

Reference No. 125 dated 1st February 1899

The proposition statement received from the
 Collector of Bellary with the letter read above for
 the entertainment of the marginally noted esta-
 blishment in his office for the disposal of work
 in connection with plague, is submitted for the
 sanction of Government. It is reported that
 under Government order no 997 Press, dated 3rd
 September 98 all passports are checked in
 the Collector's office and that a clerk on Rs 25
 is absolutely necessary for this work which is
 most onerous, the number of passports issued
 in the district during the week ending 31st
 December

One Clerk on Rs 25.
 one Accountant on
 Rs 20.

December 1898 having been 1905. The Collector recommends the appointment of an additional accountant on Rs 20 on the grounds that the work of checking and passing bills, furnishing plague budget estimates and monthly establishment lists, and maintaining the necessary audit registers to avoid double payments, is too heavy for one accountant and that the work will be considerably increased on account of the recent opening of 3 more groups with 11 circles and 5 Road Frontier Stations in the Mysore frontier. Mr. Elwin adds that no additional establishment of any kind has been allowed to the District Board's office and that all work on account of plague is being done in the Account Department of the Collectorate in order to avoid delay. In these circumstances, the Board recommends that the establishment asked for may be sanctioned.

2. The Board has no funds at its disposal

disposal to meet the proposed expenditure but the charge for the current year will be included in the application shortly to ^{be} submitted to Government for additional allotment of funds.
