Sir,

Referring to publication of maps of the Cochin
survey, I have the honour to state, that when I visited Ma-
dras at the end of September last in connection with this
amongst other points of business, I saw the Ag Superintendent
of the Madras Survey and from a conversation with that Officer,
understood that the Central Survey Office would have no ob-
jection to undertaking this work for us.

(2) As we shall shortly require to have the
map of our first experimental Desam, Ernakulam, published, I
write to request that the Superintendent of the Madras Sur-
vey may be addressed through the Resident and asked to be
kind enough to publish the map and at the same time further
asked whether he can kindly undertake publication of our maps
yearly and at what rate per square mile.

(3) If the Superintendent cannot see his way
to publish the maps, I beg that the Superintendent be request-
ed to suggest the most advisable course for the state to fol-
low in this matter.
