Proceedings of the Board of Revenue (Land Revenue).

No. 585 Misc. Dated 14th February 1899

Read the following letter from Bannatyne Macleod - Esq., M.A., Barrister-at-Law, Collector of Anantapur to the Secretary to the Commissioners of Land Revenue, Madras, R.C. No. 192, dated 8th - February 1899:-

Adverting to Board's Proceedings Miscellaneous Pro- ceedings, No. 457, dated 6th February 1899, sanctioning the postpone- ment of issue of processes for the recovery of arrears in the Hindu- pur Taluk, I have the honour to state that on account of the pre- valence of plague in the District, the trade in Gooty and Tadpatri Taluks is also affected. Tadpatri stands in the District next in im- portance to Hindupur as regards the grain trade. There is no gene- ral demand for grains remaining with ryots. The merchants have al- most ceased advancing money to the ryots for grain. The cotton --- trade of these Taluks is also noted but the plague has already af- fected this trade as I have learnt from some of the important --- firms there. The issue of processes will no doubt induce the ryots to dispose of the produce of their lands at very low rates and it would much affect their interests. I therefore recommend that the --- issue of coercive measures in these two Taluks also may be post- poned till the close of March 1899.

Resolution. The Collector's proposal to suspend the issue of - coercive processes for recovery of the kists falling due in Febr- uary and March in the Gooty and Tadpatri Taluks till the close of the

the latter month is approved.

Proceedings of the Board of Revenue
(Land Revenue).

No. 457 Misc. d/ 6 Febry. 1899.

Read letter from Banuatyne
Mackod Esquire, M. A. Barrister
at Law, Collector of Anantapur,
R.C. No. 192 dated 27 January 1899,
requesting to approve the suggestion of
the Road Assistant Collector Penunkonda
to postpone the issue of Processes for the re-
covery of the L. R. Arcans in Hindupur Taluk
till the end of March 1899.

Resolution

In his letter read
above, the Collector of Anantapur
brings to notice that owing to the
prevalence of plague, the town of
Hindupur, is depopulated and that
the ryots of the taluk of that name are
in consequence unable to find mer-
chants either to purchase their grains
or to lend them money. He accordingly
recommends that the issue of processes
for the recovery of the kists falling due
in February and March may be sus-
pended till the close of the latter month.

2. The Board observes that Hindu-
pur is one of the greatest grain marts in

the Presidency; as plague is prevalent there and as prices have also fallen heavily, the issue of coercive ^{processes} for the prompt realization of kists in the current fasli (a good year) which follows on two bad years would have the effect of forcing the ryots to sell the produce of their lands at a ruinous sacrifice of their interests. The Board accordingly resolves to sanction the Collector's recommendation under section 56 of Regulation I of 1803.
