OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 26th January 1899. 1899.

READ-- Endorsement of L.E.Buckley Esquire, Plague Commissioner, dated 19th January 1899, on letter from Robert B. Clegg Esquire, Ag. Collector of Salem, Ref. No. 168/P.C., dated 17th January 1899.

Read also Endorsement of L.E.Buckley Esquire, Plague Commissioner, dated 19th January 1899, on letter from Robert B. Clegg Esquire, Ag. Collector of Salem, Ref. No. 108/P.C., dated 17th January 1899.

Reference No. 87 (Petition) dated 26th January 1899. 1898.

The proposition statements received from the Collector of Salem with the letters read above for the entertainment of Collector's office ---- 1 clerk on Rs. 20 the marginally noted establishment for plague work, are submitted for the sanction of Taluk Office,) Krishnagiri) ----- 1 clerk on Rs. 15

Government. It is reported that owing to the transfer of the supervision of the working of the passport system to the Collector's office from that of the District Medical and Sanitary Officer and to the declaration that the Hosur taluk in the district is infected, the work in connection with the plague has considerably increased in the Collector's office and in the Krishnagiri taluk adjoining Hosur. Mr. Clegg states that the single clerk sanctioned for his office in Government Order No. 1266 F.D., dated 28th November 1898 is unable to cope with the sudden increase of work and that he has therefore appointed an additional clerk on Rs. 20 in his office in anticipation of the sanction of Government. The Plague Commissioner considers that the establishment asked for by the Collector may be sanctioned and the Board concurs with him.

2. The charge for the current year can be met by transfer from savings anticipated under "30 Stationery and

Printing-Cost of European stores"-(Government Order No.1047 F.D.
dated 14th November 1898)-for which sanction is requested.

Note:-

Provision has been made in the plague estimate of the Salem district for February 1899 for an additional Clerk on Rs. 20 for the Collector's Office and for an additional clerk on Rs. 10 for the Taluk Office, Krishnagiri. Submitted that there is no objection to the establishment applied for being sanctioned.

as regards next year, the A.G. says in his endorsement on the proposition statement that "the budget under Land Revenue for 1899-1900 does not provide for expenditure for the next year - Vide para 3 of G.O. No. 1246, Finl. dt 17.12.98 and it will be necessary to reappropriate funds". The A.G. would appear to have misunderstood the para referred to by him, which deals with the revised estimate for

accorded in the Financial Dept.
3. In submitting the Proposition Statement, the Accountant-General remarks that there is no provision in the Land Revenue Budget estimate of next year to meet the additional expenditure and that it will be necessary to re-appropriate funds. This point will also be considered in the Financial Dept.
4. Submitted that the establishment applied for may be sanctioned with the concurrence of the L & R and Finl Depts.

for current year. The charge involved is only Rs: 420 and a provision of .33 lakhs has been made for indirect charges on account of plague under 3 A Land Rev. - Charges of Dt. administration. It is very likely that there will be savings under Land Rev., but if there will be no savings, the question of reappropriation may be considered in due course.

For the C.S.

The foregoing point fact may be pointed out to the A.G. When Financial gets the Rev. order. The provision for next year should be ample, at the present rate.

Rev. may, it is submitted, be asked to return this note to Financial with the copy of its order communicated to the latter department.
