READ

the following letter from H.D. Taylor Esquire
J.C.S., Ag. Collector of Ganjam, D.O. No. 232
of 99 dated 12th January 1899:-

I have the honor to state that
acres 0-82 cents of Government
land held on patta by one Panapana
Rajgiri is included in the bed of Nakka
tank, a minor irrigation tank in
Berhampore Taluk. The land being
subject to submersion in times of
heavy rains, the patta holder to
prevent damage to his crops has
been in the habit of cutting the
bund of the tank undetected. For
the safety of the tank and with
reference to the Board's Proceedings

Re

no 426 dated 11th October 1894 R. S.
I have considered it necessary
to acquire the land in question
under the Land Acquisition
Act. As there is assessed waste
available in a neighbouring village,
a portion of the same equal in
value to that to be acquired will
be granted in exchange and extra
cost to Government will thereby be
avoided. I enclose a draft declaration
under the Land Acquisition Act
with a request that it may be
transmitted to Government for publica-
tion in the Fort Saint George Gazette.
Resolution

Submitted to Government
with the Board's recommendation
that in the circumstances reported
by the Collector, the draft declaration
submitted by him may be approved and
published in the Port-Saint-George Gazette
