PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of the Board of Revenue,
(Separate Revenue)

Dated 3^d February 1899, Miss No. 429.

Read letter from J. N. Atkinson, Esq., I. C. S., Collector of Sea Customs, Madras, No. 595 L, dated 27th January 1899, requesting the Board to address Government in the Marine Department with a view to the Presidency Port Officer being directed to depute some officer to inspect and report on the condition of a certain boat imported from Calcutta for the use of the Madras Customs Preventive Staff.

Resolution: —

Government, in its order Miss No. 2425, dated 6th June 1898, sanctioned the purchase of a boat, at cost not exceeding Rs. 700, for use of preventive office in patrolling the Madras Harbour. It was accordingly built at the Kidderpore dockyard and has been received in Madras. The Collector of Sea Customs, who was requested to inspect it, considered it badly finished, built of faulty material, and likely to cost a great deal to maintain in good order. He therefore requests that the Presidency Port Officer or some other officer duly qualified in

be deputed to inspect it.

In these circumstances, the Board requests that a Committee of Officers of the Marine Department be directed to inspect and report on the boat.
