Proceedings of the Board of Revenue

(Separate Revenue).

Dated 13th February 1899.

Mis. No. 632.

Read again Board's letter to the Commissioner of Coorg, Mis. No. 71, dated 7th January 1899, requesting him to arrange for an indent to be made through the Chief Commissioner on the Collector of North Arcot for the quantity of ganja required by him for consumption in Coorg.

Read also letter from Captain K.S. Erskine, Secretary to the Chief Commissioner of Coorg, No. 238, dated 6th February 1899, requesting the Board to supply the Commissioner of Coorg with 40 maunds of ganja.

Resolution:-

In accordance with the arrangements entered into between the Government of Madras and the Chief Commissioner of Coorg, sanction was accorded in Government Order Mis. No. 1124, Revenue, dated 5th March 1898, for the duty-free issue of ganja to that Province. One of the conditions of the arrangement was that export of the drug should be made on periodical indents addressed by the Chief Commissioner of Coorg to the Collector of North Arcot, and accompanied by a treasury receipt of the Coorg Treasury for the amount of duty leviable on the quantity of ganja indented for. Instructions were accordingly issued to the local officers in Board's Proceedings Mis. No. 1112, dated 20th March 1898, for the purchase and transmission of the drug.

2. In the letter read above, the Secretary to the Chief Commissioner of Coorg reports that no duty is at present leviable in

under G.O. 1602-3

that Province on ganja imported therein and that draft rules for the administration of the revenue derivable from hemp ^{drugs} are still under the consideration of the Government of India, and requests that the Commissioner of Coorg may be supplied with 40 maunds of duty-paid ganja. He further adds that he will send a Remittance Transfer Receipt, if necessary, for the amount of duty payable in Madras, in advance, and the cost price and charges for transport etc. on receipt of a bill for the same. As it is reported that the drug is required urgently to meet the current demand in the Province, the Board has, in anticipation of the sanction of Government, issued instructions to the Collector of North Arcot to comply with the Chief Commissioner's request on the terms stated by him.

3. The Board trusts its action will be approved.
