* Copy attached. tion from the Superintendent, Civil Veterinary
Department, N^o. 87, dated 8th February 1898.

Read again also ^{the following} P. N^o. 5450 Mi. & 10.9.98:—
Read also the following letter from the Superintendent,
Civil Veterinary Department, N^o. 743, dated 29th
August 1898:—

In reference to para 6 of the —
Board's Proceedings N^o. 712, dated 17th November
1897, I have the honour to enclose herewith a
Comparative statement of the figures in the
Civil Budget Estimate and the annual
report of this department for 1895-96. with
Explanation

6340
8.12.97

Explanation for the discrepancies noted against certain items of this office.

The Collectors of Coimbatore and Salem districts have been requested to expedite explanation for the rest as they refer to the Pony Breeding operations and a reminder has also been sent to each officer on the subject.

The Excess of Rs 531-9-1 against "Purchase of Donkeys" including forwarding Charges "is due to a wrong inclusion under the charges of that year. The amount was drawn in April 1896 and entry is also made in the statement of charges on behalf of "Mule Breeding operations" that followed the annual report of this department for 1896-97.

Resolution:-

Recorded, pending receipt of the explanations promised for the items relating to pony and mule breeding charges.

(True Extract)

(Signed) R. V. Prinnivassan
Secretary.

Read

Read also letter from the Superintendent, Civil Veterinary Department, No. 1059, dated 20th December 1898, stating with reference to Board's Memorandum dated 8th December 1898, that the Collectors concerned have been requested to explain the discrepancies pointed out in Board's Proceedings No. 5450 Vis, dated 10th September 1898, regarding Pony and mule Breeding charges.

Read also the following letter from the Superintendent, Civil Veterinary Department, No. 22 dated 5th January 1899:-

With reference to Board's Proceedings dated 5th November 1898, No. 2170 Routine, I have the honour to state that the Collector of Coimbatore informs this office that the amount of charges incurred for the Pony Breeding Establishment in his district during 1895-96 is only Rs 252-10-3 as detailed in the margin and reports that he fails to understand what items comprise the Accountant-General's figure

(Rs.)

Pony of Saluatri Rs 220-0-0
Travelling allowance do. Rs 32-10-3

Rs. 243 noted against this heading in the Civil Budget Estimate for 1895-96. I therefore beg to suggest that the Accountant-General may be addressed on the subject to reconcile the discrepancies, as this office has only adopted the figures reported by the Collector.

2. The other discrepancy of Rs 13-10-5 under item "Feeding Charges" refers to Rs 14 spent at Head quarters separately shown under that column.

3. As regards the other items referring to the Salem district, the Sub-Collector of Salem explains that Rs 2 have been wrongly included as travelling allowance of sages in the statement of Charges for April 1895 and therefore the entry Rs 717-1-0 against "Establishment" is an error for Rs. 715-1-0.

4. Rs 977-6-6 entered against "Feeding Charges" is a mistake for Rs 1008-12-0; this includes Rs 31-5-6 which is however shown separately in the annual report of this department for the year and in the appended statement, as charges incurred

on

on account of Petty Construction and repairs. But on further scrutinizing the accounts, the Sub-Collector reports that in the monthly return for November, a sum of Rs 10-6-3 has been erroneously included and there is no corresponding entry in the registers maintained in his office, whereas a sum of Rs 1-11-8, which was included in their registers, has not been brought to account in the return for March 1896.

5. Deducting Rs 10-6-3 from, and adding Rs 1-11-8 to, Rs 1008-12-0, the correct figures under this heading will be Rs 1008-1-5. Therefore it would appear that Rs 1058, entered against this head in the Civil Budget Estimate is made up of Rs 1008-12-0, 55-6-0, (excess under miscellaneous charges) and Rs 1-13-5 (excess under keep of castrated ponies), while yet the slightest difference may be only nominal and due to the addition of a few annas to secure round figures.

6. Rs 307 against Petty Construction and repairs is made up of Rs 208-3-2 expenditure

expenditure in the Coimbatore district, and Rs 99-8-10 in the Salem district. This latter entry has entirely been left out by oversight and in the returns for that year and the Sub-Collector reports that it has been discovered only now. Therefore the figure in the Civil Budget Estimate is correct.

Resolution:—

With reference to para 15 of G.O. No. 814 dated 27th September 1897, the Board beg to report that it appears from reports submitted by the Superintendent, Civil Revenue Department, that the figures given in his annual report for 1895-96 were wrong and that those shown in the Civil Budget Estimates are correct. The explanations furnished for the mistakes made and the inordinate delay that was allowed to occur in furnishing the explanation are not creditable to the officers concerned. It is stated that the items making up the
Accountant-General's

Accountant-General's figure in some cases are not known: if so, the necessary information could have been obtained by a reference to the Treasury Officer of the district. The figures entered in appendix I to B.P. 784 dated 3-7-97 require revision as shown in the annexed statement.

2. A copy of the Superintendent's letter No. 87 dated 8th February 1898, will be submitted for the information of Government with reference to para 6 of the G.O. quoted above.

No. 87. Office of the Superintendent,
Civil Veterinary Department,
Chepauk, Madras, 8th February 1898

From

The Superintendent,
Civil Veterinary Department,
Madras Presidency.

To
The Secretary to the Commissioner
of Revenue Settlement, Land Records
and Agriculture, Madras.

Sir, With reference to Board's Proceedings
No. 712, dated 17th November 1897 (Para 9),
I have the honor to state that the new
stallions were kept at Hosur in pre-
ference to Carbon and Phoenix, as the
climate was thought to be more sui-
table for them and the difference in
height

height was so slight, that the younger stallions were, to look at, lighter and probably were lighter, as they had not the condition and furnished appearance possessed by the older stallions.

End of 1871

No. 763

From the B. of Rev (A. S. d R & A).

Dated 21st January 1899.

FOR ORDERS.

To Under Secy.:

In the above current the Board of Revenue furnishes explanation on two of the points noted in G.O. No. 814 D 27.9.9.

2. In para 6 of G.O.

the Board was asked to report why, when it had been pointed out by the Inspector General that the mares of Salem should be served by stallions under 13-2 hands, larger animals were selected. The Board now forwards a letter from the Secy. in which he reports that the animals were retained "as the climate was thought more suitable for them and the difference in height was so slight that the younger stallions were to look at lighter and probably were

Cur. No. 763

are lighter, as they had not the
condition and furnished appearance
possessed by the older stallions".

3. In para 15 of the report
it was pointed out that
while in the report for 1895-96
the expenditure of the Dept.
was given as Rs 38,448-11-8
it was reported as Rs 37,832
in the Civil Budget estimate.
It is now reported that the
figures furnished in the
Civil Budget estimate were
correct and the Board of
Revenue furnishes revised
figures to be entered in the
statements in the ad.ⁿ report.
The Board of Revenue adds
"The explanation furnished
for the mistakes and the
"inordinate delay that was
"allowed to occur in furnishing
"the explanations are not
"creditable to the officers
"concerned".

Submitted that no remarks
are now called for.
