Resolution.

The Board requests the sanction of Government for the purchase of a pair of scales of the dimensions stated in the accompanying copy of an estimate with the six weights

as specified in it for the use of the Mangalore Custom-house at a cost of Rs.135.

2. The Collector of South Canara reports that a great deal of difficulty and delay is experienced in weighing and passing dutiable goods and salt for want of a sufficient number of scales, as, out of the two scales provided for the Custom-house, only one is available for the purpose, the other being used for weighing import dutiable fish in the marine yard during the season.

3. Out of the total cost, Rs.114 will be met from the provision of Rs.120 for the purchase of scales and weights for the South Canara District in the Customs Budget, and the remainder, Rs.21, from the sum of Rs.100 provided under Sea Customs-Contingencies, Office Expenses, for the Malabar District.
