Sir,

I. In reply to your Official Memorandum dated 7th instant No.33, I beg to advise that the simplest plan would be to issue a fresh lease, in duplicate, in respect of the correct extent of land and reserving the correct annual rental. Such lease, in duplicate, should, of course, bear date of the day on which it is executed, but it might be made to have effect as from the date of the previous lease, 11th May 1896. The habendum should run as in the existing lease. "To hold the said premises unto the Lessee his executors administrators and assigns from the eleventh day of May one thousand eight hundred and ninety six". If this course be adopted, the entry of the present lease in the Cantonment Lease Register should be cancelled and the new lease should be entered therein.

2. If there is any difficulty about carrying out the above suggestions, any alterations in the existing lease which have not already been initialled by Mr. Arundel, should be initialled by him. As he executed the lease on behalf of Government he is the proper person to initial any alterations therein, though he is not now Revenue Secretary. If the alterations are initialled, the alterations should be noted in the Cantonment Lease Register.

3. I return the papers which accompanied your Memorandum and

From

The Dy. Adjutant General, Madras Command,

To

The Secretary to the Government of Madras,

Sir,

With reference to Proceedings of Madras Government

No. 1613-R dated 19th November last, I am desired to state
 x Return request-^x that the alterations in the Lease (herein re-enclosed in
 -ed. duplicate) were made at the request of the Civil authorities
 at Bellary and the Collector of Madras. The original area
 and quit rent entered in the Lease were obtained from the
 former.

2. The Collector of Madras to whom the Proceedings of
 Madras Government quoted above was communicated now asks
 whether the alterations made in the Lease in question may be
 noted in the Cantonment Lease Register maintained in the Dy.
 Collector's Office at Madras. I am therefore to request you
 will be so good as to inform me whether this may be done.

I have the honour to be,

Dated 18th January 1899.

FOR ORDERS.

To Under Secy.

A lease deed in duplicate
in favor of "the Official Trustee
of Madras being Trustee of the
Trusts of the will of the late
D. V. Abraham of Bellary" for a
certain piece of land in the
Cantonment of Bellary was
received from the Dy. Adjutant
General in 1896 & executed by
the Honble Mr. Amundel, the then
Revenue Secretary to Govt.

Owing to some miscalculation
&c, certain alterations were
subsequently rendered necessary
in the extent of the land specified
& consequently in the annual
rental payable by the Lessee
as entered in the deed. The
latter was accordingly re-
submitted by the D. A. G. in

1899
REVENUE DEPT.
Encl. 1
C. No. 1130

September last for the initials of the Secretary to these alterations. The Secretary, however, took exception to initialling them as the original was not executed by him. The deed was accordingly returned to the D.A.C. with the remark that the alterations could not ^{then} be initialled.

The D.A.C. now submits the lease, pointing out that both the entries in regard to the original extent of the land with the quit rent payable by the Lessee and the subsequent alterations in it were made at the instance of the Civil Authorities, and enquires whether it would be sufficient to note them now in the Cantonment Lease Register maintained in the Deputy Collector's Office, Madras.

2. The procedure to be followed in the case is, it is submitted, not clear. It is therefore suggested that the Govt. Solicitor may be consulted on the point.

A lease deed in duplicate in favour of the "Official Trustee of Madras" being the trustee of the "trusts of the will of the late D.V. Abraham of Bellary" for a piece of land in the Cantonment of Bellary & was received from the Deputy Adjutant General, Madras Command, and executed, in April 1896, on behalf of the Right Hon. the Secretary of State for India by the Hon. Mr. T. Arundel, the then Secretary to Govt. Revenue Dept.

Subsequently it was found that the extent of land and the amount of annual rental as entered in the deed were incorrect. The Dep. Adjutant

Adjutant General accordingly
 had the deed corrected and
 resubmitted it in September
 last for the corrections being
 initialed by the executor on
 behalf of the Secretary of State.
~~The Hon Mr P. Forbes~~ had
 by this time succeeded to
 the Revenue Secretaryship
 and the deed ^{was} ~~had~~ ~~therefore~~
~~to~~ returned with the re-
 mark that the alterations
 and corrections could ^{not} ~~then~~
 be initialed by him, the
 originals bearing the signature
 of ~~the Hon Mr Arnold~~.

3. The Deputy Ad-
 jutant General now points
 out that both the original
 entries in the deed and the
 subsequent alterations therein
 were made on information
 furnished by the Civil Authorities
 and enquires whether it
~~would~~ be sufficient to note these
 alterations in the Cantonment
~~registers~~ of leases, maintained
 in the Deputy Collector's office,

To Under Secretary.

The Government Solicitor's reply is herewith submitted. He makes two alternative suggestions, viz.,

(1) to draw up a fresh deed with the necessary provision in it so as to give it retrospective effect, and or

(2) to have the alterations in the present deed initialled by the Honourable Mr. Arundel, the cantonment register also being corrected accordingly.

He seems to favour the first suggestion and offers the second in case any difficulty is met with in giving effect to the first.

The Deputy Adjutant General may be requested with reference to Government Solicitor's opinion to be good enough to get a fresh revised deed prepared for execution by the trustee and the present Secretary to Government. If objections are raised the 2nd expedient may be considered.
