FEBRUARY.

Re-settlement of the Kurnool District.—Issuing instructions to the Deputy Commissioner of Revenue Settlement, Party No. I, to proceed to Kurnool and make the necessary investigations in regard to the — as directed in G.O., No. 18, Revenue, dated 18th January 1896.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—G.O., No. 18, Revenue, dated 18th January 1896.

ABSTRACT.—Passing orders on certain proposals of the Board of Revenue regarding the re-settlement of the Kurnool district.

RESOLUTION—No. 38, dated 4th February 1899.

In the order read above, Government decided to defer passing orders on the question of the manner in which the revision of settlement of the Kurnool district should be conducted, until certain matters connected therewith had been carefully investigated by an experienced Settlement officer. It has not hitherto been possible to spare a suitable officer for conducting the necessary investigations. Now that the Deputy Commissioner, No. I Party, has almost finished his work in the Anantapur district, and his services are not required for urgent work elsewhere at present, the Board resolves to depute him to carry out the preliminary inquiries above referred to. He is accordingly requested to proceed to Kurnool on the expiration of the privilege leave granted to him, and, after making the necessary inquiries, to submit a report on the several points noticed in the Government Order quoted above, and on such other matters as he may consider it advisable to bring to the notice of the Board and Government in connection with the resettlement of the four taluks of Kurnool proper.

2. The district has but recently passed through a severe famine, and it may not be advisable to introduce a re-settlement before it has recovered somewhat from the effects thereof. It is understood that the resurvey has not made much progress and that it will be some time before the information required in connection with the canal villages is available in a complete form. These points should also receive the attention of the Deputy Commissioner.
