OFFICE OF THE BOARD OF REVENUE  
(LAND REVENUE),

Madras, 11<sup>th</sup> February 1899.

READ— again B. Proceedings of the Board of Revenue. Misc. No. 444 of 17<sup>th</sup> January 1899, communicating to the Collectors of Coimbatore and the Conservator of Forests S.C. G.O. Sanctioning the purchase locally of a set of taps and dies for the use of the saw-mill workshop at Mount Shuarth and requesting Messrs. P. Ott and Sons to report the size of each of the three descriptions of clocks supplied to Revenue Officers and to quote their current prices.

Read also letter from Messrs. P. Ott and Sons of 19<sup>th</sup> Jan. 1899 giving the prices of time-pieces and clocks.

Reference No. 51 dated 11<sup>th</sup> February 1899.

The Board requests the Sanction of Government for the purchase of a clock for the saw-mill workshop, established at Mount Shuarth, at a cost of Rs 24. The pattern of the clock selected by the Board is that supplied by Messrs. P. Ott and Sons to the officers of Collectors and Divisional Officers with reference to G.O. No 898 Rev. of 28<sup>th</sup> September 1891. The Conservator, who was consulted as to whether it would not be sufficient to supply a time-piece of the description approved in the G.O. above quoted for the office of Deputy Tahsildars, reports that so small an article would be out of keeping with a building as large as the workshop.

Lancelot Danks  
Sg. Secretary

To The Secretary to Government R.O.  
with two slips containing illustrations of clocks & time-pieces (to be returned).

B.P (Forest) Refce no 518 11.2.91  
(Cuo 1186 of 9)

To the Under Secretary

Under G.O 898 8 23.9.91,

Collectors and Divisional officers are supplied with eight-day striking clocks. But the lithograph forwarded by the Board shows that the two patterns of clocks priced at Rs 24 are not striking and that if striking they cost Rs 30.

A striking clock being preferable in a workshop, may the Board's attention be drawn to the above facts!
