REVENUE BOARD OFFICE MADRAS.

Proceedings of the Board of Revenue

(Separate Revenue).

Dated 23rd February 189 9.

Mis. No. 786.

Resolution:-

The Board begs to submit, for the sanction of Government, a supplemental indent on the Director-General of Stores for twelve five-part hydrometers costing about Rs.600, for use at out ports in testing spirits imported.

2. It has been the practice hitherto to send samples of all imported spirit to Madras for test, a practice which has caused much delay and inconvenience, and it is proposed to supply the hydrometers with a view to putting a stop to it, so far as possible, in all ports where more than 100 proof gallons of spirits are imported in a year. It will still be necessary to send samples of obscured spirit, the strength of which is not obtainable by the hydrometer, but even in this case the hydrometers will be useful as a check on tampering with the samples in transit.

3. The cost may be met from the reserve in the Budget under Petty Construction and Repairs.

4. The Board regrets that the necessity for these instruments was not foreseen. The question of the best means of levying duty on spirit imported at out ports was under the consideration of the Abkari Deputy Commissioner whose report was only received after the indent submitted with Board's Proceedings Mis.No.5030, dated 17th December 1898, had been despatched. under G.O. 204 12.1.99.
