Read—the following papers:—

From R. H. SHIPLEY, Esq., Collector of Trichinopoly, to the Secretary to Government, Public Works Department, dated 3rd December 1898, Ref. on Cur. No. 1452-Rev.

I have the honour to inform you that the people of this district erected a fountain in memory of the visit of the late Governor, His Excellency Lord Beilby Baron Wenlock, to Trichinopoly town, in the compound of the Nabob's buildings occupied by the Taluk cutcherry and other public offices, as shown in the accompanying sketch, and called it after his name. The Trichinopoly Municipality proposes to make a garden around the fountain and has applied for the assignment of the piece of land marked A B C D in the sketch. The Executive Engineer, in whose charge the Nabob's buildings are, has no objection to grant the land to the Municipality on condition of its being returned whenever it may be required for Government purposes. I inspected the site and find that no inconvenience to the public offices will be caused by its transfer to the municipality. I therefore recommend that the Government will be pleased to sanction the assignment of the land to the municipality to be used as garden and to be returned to Government whenever required.

No. 5525 C.

Referred to the Superintending Engineer, VI Circle, for remarks.

In returning your endorsement, No. 5525 C., dated 8th December 1898, and its enclosures, I have the honour to inform you that the piece of land in the compound of the Nabob's buildings therein referred to, is not required for any other public purpose, and that the same may be assigned to the Trichinopoly Municipality to be used as a garden and to be returned to Government whenever required.

Order—No. 385 W., dated 8th February 1899.

The land in question will be transferred to the Trichinopoly Municipality to be used as a garden, subject to the condition that it is returned to Government, without any claim for compensation, whenever it is required.
