the hill ranges for forest charges as an exceptional measure under Section 186 of the Forest Code. The Collector in reply states that there is no account objection to sending forest remittances by postal money orders, as the Forest Code provides for this course and that the forest collections may be utilized to meet the forest charges, as almost the whole of the collections will be spent every month. He proposes that the range officer should be provided with an iron safe and that the permit issuing officers should be ordered to remit collections to the range officer on certain fixed dates when the latter should be at the head quarters. He also suggests that revenue derived from sale of trees on darkhast lands, which is now remitted by monigars to the taluk treasury direct be sent to the range officer as it is credited to "Forests".

2. The Board considers that the most convenient arrangement will be to utilize forest collections for forest charges under the provisions of Section 186 of the Forest Code and accordingly directs the adoption of this course.

The other proposals of the Collector meet with the approval of the Board.

The difficulty of getting in the collections of the hill villages in the Salga-mangalam Taluk into Gopicheti Palasam the Taluk Hd Qrs & in sending out the pay of the village officers, has been the subject of some discussion

Vide Gos 4243 & 14 Aug 97

& P-12-98. It has

finally been decided to try ^{for 2 years} the effect of

making Salga mangalam (a Dz Taluk Hd Qrs)

a collecting & transmitting

Office. L.O. 4827 & 8-12-98

It seems however that this arrangement will not materially help in the case of the Forest Range & Palamalai. So

10000 Rs of collections per annum have to be remitted thence to Satyamaulacau and some 6000 Rs of for pass of Rsbt to be drawn from Gopichettipalayam. Vide R.P. in G.O. 4827 8-12-95

The Board therefore in the current authorises the utilisation of forest charges collection to meet forest charges in Talamalai under Sec 186 of the Forest Code. The only objection to this seems to be that the Talamalai range officer* will have to keep money (at times perhaps a considerable amount) with him in an iron safe.

From G.O. 3865 of 30th 95 & 2157 of 8 June 96 it would appear that the cash box of the range officer of Talamalai (then a temporary forester in charge) was once stolen. ? connection with that the limit up

yes; but I am not sure that this max. will work? W.S. 2-13-95

This range officer can keep collections was fixed at Rs 500 vide R.P. (para 7) in G.O. 2151 of 23-6-95. The Bd's order may perhaps be approved on the understanding that this limit is not exceeded?
