OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 2nd February 1899.

READ— letter from E. A. Elwin Esqre. acting Collector of Bellary, R/ on Cur no. 2934, dated 12th January 1899.

Reference No. 132 dated 2nd February 1899

In its order no. 137 miscellaneous, dated 10th January 1898 Revenue Government stated that owing to financial pressure no grant could be given during 1898–99 for the removal of prickly pear on Government lands within Municipal limits in the town of Bellary. In the letter read above, the Collector reports that the Secretary to the Municipal Council has sent him a notice for early action under Section 186 of the District Municipalities Act IV of 1884 and requests that a sum of Rs 1485 may

may be sanctioned for the purpose. Mr. Elwin states that many of the lands referred to contain dwelling houses and that it is desirable in the interests of the public health and safety to have the prickly pear removed as it harbours Snakes and affords facilities for the commission of nuisances. The Collector adds that the Municipality is Compelling the owners of bungalows within Cantonment limits to remove the prickly pear from their Compounds, prosecution for non-compliance with notice being resorted to in several cases and that if would greatly help matters if Government would set an example by removing the prickly pear from its own lands. The Board recommends that the amount asked for may be sanctioned.

2 The Board has no funds at its disposal to meet the proposed expenditure.
