the following letter from J. K. Ballen
Esq., Acting Collector of North Arcot District,
C. No. 145
Aug, dated 30th January, 1899:-

I have the honor to state
that the Cattle Diseases Act - II of 1866 -
may be introduced into the two large
cattle markets to be held at Pollaburige
in Kanganur Division and at Punganur
on the 27th March and 25th May, 1899,
respectively, provided the Stock Inspectors
attached to this district at present can
be appointed as found before. Under
Sections 5, 6, 7, 8 and 10 of the Act,

the Pound Keeper should be an expert and the attendance and assistance of a Stock Inspector is necessary.

2. The Act was introduced in the fairs held at the two Villages in 1898 - Vide correspondence ending with B.P. No 554 this dated 26th January 1898

3. A draft notification for introducing the Act in the above Villages is submitted herewith.

Resolution.

Submitted for the orders of Government.

2. If the fairs are held during the current year, the Board considers that the Act should be put into force as proposed.

3

If the Act is put into force the Superintendent, Civil Veterinary Department, will be requested to depute a Stock Inspector to attend each fair to assist in carrying out the provisions thereof.

Draft Notification

Under the Provisions of Sectional
Clauses Act II of 1866 (an Act for the
prevention of Disease among Cattle)

His Excellency the Governor in Council
directs that the aforesaid Act shall be
put in force in the following Villages
in the North Arcot District from the dates
specified, and shall remain in force
in them for a period of fifteen days.

Village of Rollapudukuru in Kangundi Division
from the 27th March 1899.

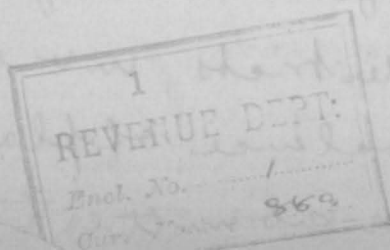

Village of Punganuru in Punganuru Division
from the 25th May 1899.

As Secretary.

B.P. (Sett). No. 707 Msd.
1.2.99. (Cir. 888/99)

To Mr. de Seey.

With reference to the
Mr. de Seey's query below
the draft order on the above
current as to who is to decide
whether the fairs are to be
held or not, it is submitted
that the holding of such
fairs may be prohibited by
Govt. in the exercise of the
powers conferred on it under
the Epidemic Diseases Act
(III of 1897). In G.O. No. 279,
Plague, d. 25.3.98 Collectors
were informed that any
proposals which they might
desire to make in regard to
the prohibition of, or im-
position of restrictions on,
the holding of any largely
attended festival or fair
in their districts, in view
of the prevalence of plague,
should be submitted to
Govt. ~~within~~ at least three

weeks before the commence-
 ment of the festival or fair.
 As regards the two fairs in
 question to be held at
 Rollapudukuru and Pung-
 auru in the North Arcot dt.,
 it is apparent from the Col-
 lector's letter read in the B.P.
 that he considers that the
 fairs may be allowed to be
 held. In view, however, of the
 fact that there is plague now
 in the district and its neigh-
 bourhood, it is submitted
 that the Plague Dept. may be
 consulted as to if they have
 any objection to the holding
 of the fairs in question.

 this may be done. To P.C. for early remarks as

Considering the situation
 as regards plague in the N.
 Arcot district at the present
 moment, I am strongly of
 opinion that the fairs
 ought to be absolutely
 prohibited. L.R. 2/2

Note for the Secretary
 The Revenue Department
 enquires us as to the possi-
 bility of any objection to the
 holding of two cattle fairs,
 one at Rallabudaguru and
 the other at Pungauru,
 in the North Arcot district.
 The Plague Commissioner to
 whom the papers were sent
 for remarks says in his ^(note of 21st Feb.) that
 both the fairs should be
 absolutely prohibited.
 The Plague Commissioner has
 also, at the instance of
 the Collector, recommended in
 two separate communications
 dated the 17th and 25th ultimo
 that the holding of the fairs
 at both places should be
 prohibited. As regards the
 prohibition of one of the
 fairs (viz. that at Rallabudaguru)
 orders have already issued in
 G.O. 313 P. dt. 1.3.99 and as
 regards the prohibition of
 the other fair (at Pungauru)
 a draft order is submitted
 in the linked file.

2. In his letter dated 30.1.99 addressed to the Board of Revenue, the Collector states that the fairs at Rallabudugum and Pangamam are held on 27.3.99 and 25.5.99, respectively. In his letters addressed to the Plague Commissioner, dated the 6th and 16th Feb, he has, however, reported the dates of the fairs to be 21.3.99 to 3.4.99 and 26.5.99 to 5.6.99. It looks likely that the fairs referred to by the Collector in his letters to the Board and the Plague Commr are identical. If so, no further action towards the prohibition of the fairs would be necessary. If otherwise the Collector should be told to address the P.C. in the matter.
