NOVEMBER.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Mangalam block in the Perambalur taluk, Trichinopoly district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

The Hon'ble Mr. J. STUBBOCK, I.C.S.

READ—the following letter from F. GOMPERTZ, Esq., Forest Settlement-officer, Trichinopoly, &c., Districts, to the Collector of Trichinopoly, dated 2nd January 1899, C. No. 27:—

I have the honour to report the conclusion of the settlement of the proposed Mangalam block, Perambalúr taluk, after complying with the provisions of section 16 of the Madras Forest Act V of 1882.

2. The block comprises portions of Yeraiyur, Sirumattur and Kilapuliyur villages. The notification under section 4 of the Forest Act appeared in the *Fort St. George Gazette*, dated 10th November 1896, and the proclamation under section 6 was issued on 14th idem, fixing 20th April 1897 as the latest date for preference of claims. The block was settled by me after the notification transferring it to my name appeared in the *Fort St. George Gazette* of May 1897. The exclusions proposed by the District Forest-officer are indicated in the sketch by green lines. The last claim was disposed of on 16th March 1898, and the appeal time expired on 15th May 1898 without any appeal being preferred. The exclusions promised by the District Forest-officer were received at the close of June 1898. With reference to paragraph 2 (ii) of Board's Proceedings, Forest No. 366, dated 10th August 1896, further exclusion was not considered practicable or desirable as there is enough land outside the block available for villagers for extension of cultivation, &c.

3. Sixteen claims were preferred. They were for patta and waste lands, rights of way, and right to two water sources. Some patta lands were found to lie outside the block, and the rest and one water source were thrown out of it by revision of boundary. Five rights of way and right to a water source were admitted, and the remaining right of way was considered unnecessary. The claims to waste lands were disallowed as being not based on right.

4. I request that three months' time may be allowed for promulgation of the final notification under section 16 from the probable date of its appearance in the *Fort St. George Gazette*.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Mangalam block, in the Perambalúr taluk, as a —, ordered to be published in the Fort St. George and the Trichinopoly District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 467, dated 3rd November 1899 :—

The Hon'ble Mr. J. Sturrock, I.C.S.

Read—the following letter from F. GOMPERTZ, Esq., Forest Settlement-officer, Trichinopoly, &c., Districts, to the Collector of Trichinopoly, dated 2nd January 1899, C. No. 27 :—

I have the honour to report the conclusion of the settlement of the proposed Mangalam block, Perambalúr taluk, after complying with the provisions of section 16 of the Madras Forest Act V of 1882.

2. The block comprises portions of Yeraiyur, Sirumattur and Kilapuliyur villages. The notification under section 4 of the Forest Act appeared in the *Fort St. George Gazette*, dated 10th November 1896, and the proclamation under section 6 was issued on 14th idem, fixing 20th April 1897 as the latest date for preference of claims. The block was settled by me after the notification transferring it to my name appeared in the *Fort St. George Gazette* of May 1897. The exclusions proposed by the District Forest-officer are indicated in the sketch by green lines. The last claim was disposed of on 16th March 1898, and the appeal time expired on 15th May 1898 without any appeal being preferred. The exclusions promised by the District Forest-officer were received at the close of June 1898. With reference to paragraph 2 (ii) of Board's Proceedings, Forest No. 366, dated 10th August 1896, further exclusion was not considered practicable or desirable as there is enough land outside the block available for villagers for extension of cultivation, &c.

3. Sixteen claims were preferred. They were for patta and waste lands, rights of way, and right to two water sources. Some patta lands were found to lie outside the block, and the rest and one water source were thrown out of it by revision of boundary. Five rights of way and right to a water source were admitted, and the remaining right of way was considered unnecessary. The claims to waste lands were disallowed as being not based on right.

4. I request that three months' time may be allowed for promulgation of the final notification under section 16 from the probable date of its appearance in the *Fort St. George Gazette*.
