(Land Revenue)

No. 3768 Misc., Dated 23rd November 1899.

Mr. W.J.H. Le Fanu

RESOLUTION.

With reference to the Endorsement of Government, Mis. No. 339 Rev. dated 23rd January 1899 the Collector of Cuddapah states that the Reverend W.H. Campbell has already erected a school house on land applied for by him and that the site measures 7 cents and not 2 cents as previously reported.

2. The Collector recommends the assignment of the site free of assessment and also free of charge for the occupancy right. This recommendation, which is in accordance with para 11 (f) of Government Order 1010 Rev. Dated 30th September 1892, has the Board's support.

3. In para 2 of its order No. 1033 Rev. Dated 10th October 1892, Government ruled that the privilege of free assignment of sites for schools should be enjoyed only by Local Boards and Municipal Councils; but in the Board's opinion the concession may, in rural areas, be properly extended to private owners of schools, for there the village site may, according to custom, be granted free of assessment for any building required for the bonafide use of the villagers.

4. Two statements of alienation in the prescribed form are enclosed in case Government should consider that such

statements

statements are necessary.
