Brief

Brief description

of compact block comprising the village of Nadukuppam together with the cultivation adjoining it lying within the Inner Javadis Reserved Forest.

Reasons for disafforestation.

It is found that the area admitted at settlement is quite inadequate for the extension of cultivation and communal purposes. Only 106.5 acres made up of 35.5 acres of kattah lands and 71 acres for extension of cultivation were excluded at settlement.

It is now proposed to exclude 119.5 acres more and as this area is to be taken in different parts of the village, a block of 225 acres including the above said 106.5 acres is marked out and boundary description submitted.

Disafforestation.

The draft notification, under section 24 of the Forest Act, for the — of a portion of land of Nadukuppam village included in the Inner Javadis, Tiruppattúr taluk, Salem district.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—again the following G.O., Mis. Nos. 4172, 4173, Revenue, dated 28th November 1899:—

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 780, dated 4th November 1899, on endorsement of A. W. PEET, Esq., Acting Conservator of Forests, Central Circle, No. 420, dated 17th October 1899, forwarding, with remarks, letter from R. B. CLEGG, Esq., Collector of Salem, Nos. 1296 and 2888, Forest, dated 6th October 1899:—

The Hon'ble Mr. J. Sturrock, I.C.S.

Resolution—Forest Mis. No. 780, dated 4th November 1899.

It will be seen from the notification under section 16 of the Madras Forest Act relating to the Inner Javadis block printed as an appendix to G.O., No. 124, Revenue, dated 29th March 1895, that an extent of 35·5 acres of patta land, together with a margin of 71 acres for extension of cultivation and exercise of village privileges, was excluded from reservation in favour of the villagers of Nadukuppam and retained as an enclosure within that reserve. The Collector now reports that the provision made for extension of cultivation has since been found to be inadequate and accordingly proposes to exclude a further area of 119·5 acres for the purpose. Though this extent is made up of little pieces scattered in different parts of the village they and the portions now treated as enclosures form together a compact block, and it is therefore considered desirable to disafforest the whole area. The lands do not contain any valuable forest growth, and the local revenue and forest officers agree to the proposed disafforestation.

2. In these circumstances, the draft notification received from the Collector, as slightly amended by the Board, will be forwarded to Government with the request that it may be published in the *Fort St. George Gazette* after the sanction of the Government of India has been obtained.

3. With reference to paragraph 2 of the Conservator's endorsement, it is observed that the remarks regarding the Javadi plateaus in the Collector's letter read in the Board's Proceedings referred to relates only to further selections and not to areas already reserved in them.

with Collector's letter in original to be returned,
a notification and boundary statement and
a sketch-map also to be returned.

Order—Mis. No. 4172, Revenue, dated 28th November 1899.

The draft notification as slightly amended will be forwarded to the Government of India with the request that its promulgation may be sanctioned.

Letter—from the Hon'ble Mr. G. S. FORBES, I.C.S., Secretary to the Government of Madras, Revenue Department, to the Secretary to the Government of India, Revenue and Agricultural Department, dated 28th November 1899, No. 4173.

With reference to the provisions of section 24 of the Madras Forest Act (V of 1882), I am directed to request that His Excellency the Governor-General in Council will be pleased to sanction the issue of the accompanying notification directing that certain pieces of land, measuring in the aggregate 119·5 acres, included in the Inner Javadis reserve, Tirupattúr taluk, Salem district, shall cease to be a reserved forest from a date to be fixed hereafter by this Government.

2. I am to explain that at the original reservation of the Inner Javadis block an extent of 35·5 acres of patta land, together with a margin of 71 acres for the extension of cultivation and the exercise of village privileges, was excluded from reservation and treated as an enclosure. It is now reported that the provision made for extended cultivation is inadequate and it is proposed accordingly to exclude a further area of 119·5 acres for the purpose. This extent is made up of small plots of land in different parts of the village. These plots, together with the portions now treated as enclosures, form a compact block.

3. I am to add that the lands in question do not contain any valuable forest growth and that the local revenue and forest officers agree to the proposed disafforestation.

4. A sketch-map of the land is enclosed for reference and favour of return. The final notification, under section 16 of the Madras Forest Act of 1882, issued in respect of the Inner Javadis block reserve, will be found printed in the Proceedings of this Government, Nos. 121, 124A, dated 9th March 1895.

Read—also the following letter from E. MACONOCHIE, Esq., I.C.S., Under Secretary to the Government of India (Department of Revenue and Agriculture—Forests), to the Secretary to the Government of Madras, Revenue Department, dated 13th December 1899, No. 1038-F/ 15–25:—

In reply to your letter No. 4173, dated the 28th ultimo, I am directed to convey the sanction of the Government of India, under section 24 of the Madras Forest Act (V of 1882), to the exclusion from reserved forests in the Salem district of the lands * specified in the draft notification appended to your letter. The original enclosures of your letter are returned.

* (119·5 acres in the Tiruppattúr taluk).

Order—No. 865, Revenue, dated 23rd December 1899.

Forest No. 264.

The draft notification will be published in the Fort St. George and Salem District Gazettes, the 1st February 1900 being entered as the date from which the disafforestation shall take effect.
