Office of the Board of Revenue

/Land Revenue/

Madras, dated 2nd December 1899.

Mr. W. J. H. Le Fanu.

Reference B.No. 655, dated 2nd December 1899

The Collector of Kurnool submits the following proposals:-

- (1) to provide an assistant karnam for each of the two
  - (1) Koilkuntla-Chintakunta group. : village-groups in the Koil-
  - (2) Chakarajavemula-Arjunapuram : kuntla taluk noted in the -
  - group. : margin

and (2) to raise the pay of the reddy of Markapur from Rs. 7 to - Rs. 10 per mensem.

2. In the scheme for the general revision of village establishments in this District submitted by Mr. Mullaly in 1893 and --

sanctioned in G.O. No. 735 Rev., dated 21st December 1896 no assistant

karnams were provided for the villages referred to above. But the -

present Collector points out that each of these village-groups has a revenue of more than Rs. 8000, the limit usually recognized in providing assistant karnams, and that in each case two sets of village

accounts have to be prepared by the karnam. He considers that the -

work of each group is too heavy for a single individual to perform satisfactorily.

Assistant karnams are usually paid at a uniform rate - of Rs. 6 per mensem. The Collector however recommends Rs. 7 for the -

assistant karnam of Koilkuntla as the village has a revenue of more than Rs. 12000 and this is in accordance with the scale already ---

adopted in Kurnool. Vide para 5 of G.O. No. 735 Rev., dated 21st December 1896.

3. The reddy of Markapur now draws Rs. 7 per mensem in accordance with the sanctioned scale. But the Collector states that -

since the transfer of the head-quarters of the Division from Cumbum

to Markapur the latter place has increased in importance and that

the reddy has a great deal more now to do than before. The village

has also two hamlets situated at a distance of 2½ and 3 miles from

it.

5. Although the Cumbum has ceased to be the head-quarters of the Division the Collector does not consider that the special increase of Rs.8 per mensem sanctioned for the reddy of that station in G.O.No. 1076 Revenue, dated 10th November 1891. can be withdrawn, for its climate is notoriously malarious and it has a population of more than 5000 and a big tank irrigating more than 5000 acres. The Board agrees with the Collector.

Village establishments.

Approving and sanctioning the proposals of the Collector of Kurnool, recommending assistant karnams for certain villages in the Koilkuntla taluk and an increase to the pay of the reddy of Markapur in the Kurnool district.

GOVERNMENT OF MADRAS.

## REVENUE DEPARTMENT.

READ—the following Reference of the Board of Revenue (Land Revenue), B. No. 655, dated 2nd December 1899:—

Mr. W. J. H. LEFANU.

Reference—B. No. 655, dated 2nd December 1899:—

The Collector of Kurnool submits the following proposals:—

- (1) to provide an assistant karnam for each of the two village groups in the Koilkuntla taluk noted in the margin; and
- (2) to raise the pay of the reddy of Markapur from Rs. 7 to Rs. 10 per mensem.

2. In the scheme for the general revision of village establishments in this district submitted by Mr. Mullaly in 1893 and sanctioned in G.O., No. 735, Revenue, dated 21st December 1896, no assistant karnams were provided for the villages referred to above. But the present Collector points out that each of these village groups has a revenue of more than Rs. 8,000, the limit usually recognised in providing assistant karnams; and that in each case two sets of village accounts have to be prepared by the karnam. He considers that the work of each group is too heavy for a single individual to perform satisfactorily.

Assistant karnams are usually paid at a uniform rate of Rs. 6 per mensem. The Collector, however, recommends Rs. 7 for the assistant karnam of Koilkuntla, as the village has a revenue of more than Rs. 12,000; and this is in accordance with the scale already adopted in Kurnool (*vide* paragraph 5 of G.O., No. 735, Revenue, dated 21st December 1896).

3. The reddy of Markapur now draws Rs. 7 per mensem in accordance with the sanctioned scale. But the Collector states that since the transfer of the head-quarters of the division from Cumbum to Markapur the latter place has increased in importance and that the reddy has a great deal more now to do than before. The village has also two hamlets situated at a distance of  $2\frac{1}{2}$  and 3 miles from it.

4. The Board supports the Collector's proposals and submits them for the sanction of Government. The additional expenditure of Rs. 192\* per annum involved can be met during the current year from the provision made in the budget estimate of the Village Service fund to meet increases resulting from the revision of village establishments.

5. Although Cumbum has ceased to be the head-quarters of the division, the Collector does not consider that the special

Revenue, dated 10th November 1891, can be withdrawn, for its climate is notoriously malarious, and it has a population of more than 5,000 and a big tank irrigating more than 5,000 acres. The Board agrees with the Collector.
