Order no 621 27/11th May 1858

Fort Saint George, Revenue Consultation of 11th May 1858.

Read again Tabular Statement of Lands proposed to be given to Village Officers in lieu of their Enams which have become unproductive, or have been taken up for public roads in the Bellary District, submitted by the Board of Revenue on the 21st December 1857, and recorded in Diary to Consultation 2d February 1858 No. 123.

No. 73. Read also the following Extract from the Proceedings of the Board of Revenue; dated 17th April 1858, No. 1349.

In Cons. 17th April 1858. Read letter from the Collector of Bellary, dated 11th March 1858.

(Here enter No. 36.)

In their Remarks of 21st December 1857, the Board, referring to the 2nd Case in the Collector's Statement of 21st September, called for information as to the total Potal Enam of the village and its distribution. From the reply recorded above, it is seen that the entire extent is Acres 11. G. 33. A. 13. the whole of which is held by the only Potal of the village. Deducting the unproductive portion, the remainder 7-32-4 bears a reduced assessment of Rupees 13-10-6 fixed at Rupees 1½ per acre. The Potal's income from this source and his fees amount to Rupees 26-0-10 being about 9 Rupees below the scale of remuneration established by Colonel Munro.

2. Under these circumstances, the Board resolve to forward the above letter to Government with their recommendation that sanction be accorded for the grant of 3½ acres of land bearing a reduced assessment of Rupees 10-8, as proposed by the Collector, in lieu of the unproductive portion of the service land. The Emoluments of the Potal will thus be Rupees 36-8-10 per annum.
