REVENUE DEPARTMENT.

READ—again the following G.O., dated 20th January 1887, Mis. No. 380, Revenue :—

Read—the following letter from M. A. LAWSON, Esq., Government Botanist and Director of Cinchona Plantations, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 9th January 1887, No. 99 :—

I have the honor to inform you that, in accordance with instructions issued in G.O., No. 990, dated 15th November 1886, Revenue, I have directed Messrs. Oakes and Co. to sell 10,000 lb. of mossed crown and 5,000 lb. of mossed red at their auction rooms in Madras on Monday the 14th March 1887.

2. No analyses made by the Government Quinologist will be published on this occasion; and all intending purchasers will be required to select their own samples from the bark after it has reached Madras, in order that Government may be protected for the future from any complaint as to the quality of the bark which is sold.

3. A copy of the catalogue is enclosed.

Order—dated 20th January 1887, Mis. No. 380, Revenue.

Government see no reason why the procedure already sanctioned should not be continued and the analysis of the Government Quinologist published. The Director will therefore follow this course.

2. Clause 3 of the conditions of sale sufficiently protects Government.
