GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from M. A. LAWSON, Esq., Government Botanist and Director, Cinchona Plantations, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 22nd December 1886, No. 96 :—

With reference to G.Os., Nos. 6977 and 912, dated the 18th November and 20th October 1886, Revenue, respectively, I have the honor to report that Messrs. Oakes and Co., Madras, held an auction sale of Cinchona bark on Monday last, the 20th instant, and I now enclose statements, which afford full information in regard to the sale in question.

2. Statement No. 1 is a catalogue of the bark sold, and shows also its analyses by the Government Quinologist. No. 2 gives the price realized since the commencement of such local sales. No. 3 shows the total sum realized by the four sales held this year. No. 4 gives the rate per lb. realized in English and Indian currency, and compares the rate per lb. with that now ruling in the London Market. It also shows the value of the unit of quinine at the last sale.

3. The total sum realized by the sale was Rs. 13,960, and if to this be added the sum realized by the last three sales (Rs. 43,350), the aggregate sum realized by the four sales held this year will be Rs. 57,310.

4. The value of the unit of quinine obtained at the sale varied from 4 and 3·20d, and, considering that the last London quotation was 3·25d, cannot be considered unsatisfactory.

5. The reserved price, which I fixed on the first, was Rs. 100, and that on the second, Rs. 65; both of these reserved prices were exceeded.

Enclosure No. 1.—Catalogue.
