Memorandum No.

dated 10th May 1919.

The Government of India propose to adopt the following procedure in regard to the disposal of the properties of the Basel Mission and the Basel Mission Trading Society and the Leipzig, Hermannsburg, and Schleswig Holstein Evangelical Lutheran Missions:-

All mission property including that of the Basel Mission Trading Society will be vested in the Custodian of Enemy Property, Madras, by an order issued under the Enemy Trading Act, 1916; A Board of Trustees will at the same time be constituted which will be composed of three non-official members (including the Chairman) nominated by the National Missionary Council and two Government officials. The Custodian will by Trust deed transfer the properties to the Board of Trustees to be held in trust for the continuance of the philanthropic and missionary work of the missions affected with power to the Board to convey again on trust the property of the Basel Mission Trading Society to a trading company of a philanthropic character and all other mission property to suitable missionary societies. Orders on the above lines are expected from the Government of India shortly and as soon as the orders are received steps will have to be taken to take possession of the properties concerned.

2. The description of the properties in the schedules forwarded to the Government by the District officers is in many cases inadequate for purposes of registration of identification in case of litigation or dispute and in those cases where supplementary information has been furnished it has frequently been found impossible to reconcile it with the facts contained in the original schedules. Collectors presumably have copies of the lists already submitted. Action should be taken immediately by the Collectors of the districts concerned for the preparation of fully descriptive and detailed lists of the immovable and moveable properties of the various societies in the forms appended, and six copies of the complete lists should be submitted to the Government as early as possible.

3. In the case of immovable property in unsurveyed areas where the land cannot be described by a survey number some description sufficient for the complete identification of the site should be given.

4. In the lists of movable property individual items of movable property of the value of Rs. 50 and less need not be shown separately in the lists, but such minor items should be grouped together for each building or piece of land and their total value should be given in a lump sum in the appropriate column as indicated in the skeleton form attached. If movable property is hired or mortgaged or is not the property of the mission or Trading Society concerned this should be stated in the appropriate column.

5. The Officers who have to take action with reference to this memorandum are shown in column (2) of the statement below :-

Name of Mission etc.	Officers concerned.
(1) Basel Mission and Basel Mission Trading Society.	Collectors of Malabar, South Kanara and the Nilgiris.
(2) Leipzig Evangelical Lutheran Mission.	Collectors of Madras, South Arcot, Chingleput, Coimbatore, Madras, Salem, Tanjore and Trichinopoly.
(3) Hermannsburg Evangelical Lutheran Mission.	Collectors of Chittoor, Cuddapah and Nellore.
(4) Schleswig Holstein Evangelical Lutheran Mission.	Collector of Vizagapatam.

6. Should any special staff be considered necessary for the compilation of reliable data without undue delay, proposals should at once be submitted to Government for sanction.
