About 900 bullocks are required, and with a view to effecting a speedy purchase of these bullocks I request that you will kindly instruct the Collectors of those Districts of the Madras Presidency in which bullocks suitable for Army Transport purposes are obtainable to afford every assistance to the purchasing officers who will shortly be detailed.

Meanwhile any communication which the Collectors may desire to make may be addressed to the Assistant Director of Supplies and Transport, 9th Division, Bangalore, or to the Brigade Transport Officer, Bangalore.

I shall also be glad if the Collectors could intimate to these officers the dates and locality of cattle fairs within their Districts and also if they are able to arrange for a collection of animals.
